Brown Act Update

Approval for Continued Teleconferencing

Zulima Lundy, CoC Manager

Business Calendar – Item #2

Background

- The **Ralph M. Brown Act** requires that most deliberations and actions of public boards, committees, and commissions (“BCCs”) be conducted and taken openly. Prior to the COVID-19 emergency, this required meetings of BCCs to be held in person, with teleconferencing by a member allowed only under limited circumstances.
- On **June 11, 2021**, the Governor issued Executive Order N-08-21, waiving certain provisions of the Brown Act and authorizing BCCs to hold public meetings virtually. The Executive Order specified that those waivers remain valid through September 30, 2021.
- On **September 16, 2021**, the Governor signed into law Assembly Bill 361 (AB 361), amending the Brown Act to allow BCCs to continue virtual meetings until January 1, 2024, but with less flexibility than afforded by the Executive Order. AB 361 adds a new subsection (e) to Government Code Section 54953, laying out the requirements for such meetings.

Business Calendar – Item #2

Background

- **AB 361** notes that virtual meetings must take place during a proclaimed state of emergency where State or local officials have imposed or recommended measures to promote social distancing, or during a proclaimed state of emergency where the BCC determines by majority vote that meeting in person would present imminent risks to the health or safety of attendees.
- If the BCC determines that holding virtual meetings is in the best interest, it shall make the following findings **every 30 days thereafter**:
 1. Review and reconsider the circumstances of the state of emergency.
 2. Find that the state of emergency continues to directly impact the ability of the members to meet safely in person. [or] State or local officials continue to impose or recommend measures to promote social distancing.

Business Calendar – Item #2

Recommended Action

- Determination in accordance with AB 361 Section 3(e)(3) that, while the state of emergency due to the COVID-19 pandemic, as originally proclaimed by the Governor on March 4, 2020, remains active and/or state or local officials have imposed or recommended measures to promote social distancing, the Orange County CoC Board has reconsidered the circumstances of the state of emergency and has determined that the state of emergency continues to directly impact the ability of the members to meet safely in person and/or state or local officials continue to impose or recommend measures to promote social distancing.

2022 Point In Time (PIT) Count Update

Zulima Lundy, CoC Manager

Matt Bates, City Net

**EVERYONE
COUNTS**

Important Date Change Announcement

- The Office of Care Coordination has received an exception from the U.S. Department of Housing and Urban Development (HUD) to conduct the 2022 Point In Time (PIT) Count during the last 10 days of February. The Orange County 2022 PIT Count will conduct the sheltered count the night of Monday, February 21, 2022, and the unsheltered count starting the morning of **Tuesday, February 22 through Thursday, February 24.**
- The Office of Care Coordination, which serves as the administrative lead for the Orange County Continuum of Care (CoC), consulted the County's Public Health Services, key community stakeholders and neighboring CoCs.
- The exception was due to the ongoing COVID-19 surge related to the Omicron variant. The Office Of Care Coordination wants to ensure an accurate count is conducted with the proper staffing and volunteers needed. As such, delaying the 2022 PIT Count to the last ten days of February will hopefully allow for the COVID-19 surge to pass and provide the necessary support for a robust and accurate unsheltered count.
