HMIS Access and Minimum Participation Requirement Policy

An organization that at minimum meets one of the following criteria will be granted access to HMIS:

- Manage a homeless assistance project with beds to be entered into HMIS to support an increase in bed coverage for the CoC. The following homeless assistance project types will increase bed coverage.
- Receive federal and/or state funding for the implementation and operations of a homeless assistance project and/or homelessness prevention project that requires HMIS participation. Attachment A details federal and state funding sources that requires HMIS participation.

Business Calendar – Item #4

HMIS Access

Organizations receiving funding that requires HMIS participation will be given data entry access, but this does not necessarily include data sharing with other agencies.

- Victim service providers and legal service providers that are recipients of funds requiring participation in HMIS, but do not directly enter data into an HMIS, must use a comparable database.
- Law enforcement agencies and legal service providers receiving funding that requires HMIS participation will be given data entry access only.

Business Calendar – Item #4

HMIS Access

An organization that does not meet one of the minimum requirements will be required to submit an HMIS Access Application.

HMIS Access Application requires organizations to detail how their organization's participation in HMIS will be able to:

- Meaningfully contribute information related to homeless assistance projects or homelessness prevention projects to the Orange County Continuum of Care; and
- How HMIS access will improve the provision of homeless services in the Orange County Continuum of Care.

HMIS Participation Requirements

An organization that is granted HMIS access is required to be a Contributing HMIS Organization. As part of the data entry requirements, organizations are expected to utilize HMIS for the following activities related to the homeless assistance project and/or homelessness prevention project:

- Minimum active enrollments
- Minimum activities tracked within HMIS
- Regular updates
- Minimum of one active HMIS User at all times
- Complete any reporting, data quality, data entry, or other requirements

Business Calendar – Item #4

Process Followed

- The proposed policy was discussed during the PPS Committee on March 2021, April 2021, and May 2021
- Updates provided to the CoC Board on March 2021 and April 2021
- The CoC Board established an Ad Hoc to work with PPS Committee supporting the development of the proposed policy
- HMIS Access Ad Hoc met four times to discuss the proposed policy
- Feedback and comment period was from April 13 to April 27, 2021

Business Calendar – Item #4

Next Steps

- Evaluate current organizations with HMIS access and request applications be completed by organizations
- Establish the HMIS Access Ad Hoc to review HMIS Access Applications during June 2021 meeting of the CoC Board
- Establish a schedule and review process for HMIS Policies and Procedures to review the process. This will allow the Orange County CoC to prepare and conduct a review of the HMIS Policies and Procedures at length

Business Calendar – Item #4

Recommendation Action

- Approve the HMIS Access and Minimum Participation Requirements Policy as recommended by the PPS Committee
- Establish a schedule and review process for the HMIS Policies and Procedures as recommended by the HMIS Access Ad Hoc
