Business Calendar – Item #2

Orange County HMIS Data Quality Plan

- 2-1-1 Orange County (211OC) as the Homeless Management Information System (HMIS) Lead for the Orange County CoC, has developed the Orange County HMIS Data Quality Plan (Data Quality Plan) for all agencies participating in the OC HMIS.
- At the February 22, 2023, meeting of the CoC Board, the Data Quality Plan was reviewed and discussed in depth. The CoC Board membership motioned to delay voting on the recommended action and requested further analysis.
- Further analysis was completed on the proposed incentives, enforcements, data quality thresholds and the improvement plan process for agencies with data quality concerns.
- The Data Quality Plan is returning to the CoC Board membership for approval with modifications to the Data Quality Plan enforcements section, incorporating feedback received during the February 22, 2023, meeting of the CoC Board.

HMIS Data Quality Plan: Timeline

- **November 2022:** HMIS Working group met twice to discuss draft Data Quality Plan
- **December 2022:** Data Quality Plan presented to Data & Performance Management Committee
- **December 2022:** Data Quality Plan sent to HMIS users for feedback period
- **February 2023:** Approved by Policy, Procedures, and Standards Committee
- **February 2023:** Data Quality Plan presented to CoC Board

Data Quality Report Cards

- Data Quality Report Cards (Report Cards) published on a quarterly basis for all HMIS projects, as well as DV projects receiving CoC or Emergency Solutions Grant (ESG) funding
- Report Cards review Data Completeness, Data Accuracy, and Data Timeliness
- Report Cards are published at the agency and project-level, and review each data element, as well as the Average Data Quality Score for the project and agency
