Business Calendar – Item #2

Background

- Four PHAs in Orange County administer the Housing Choice Voucher (HCV) Program (also known as Section 8) to help qualified tenants afford healthy and safe housing in the private market:
 - ❖ Orange County Housing Authority (OCHA)
 - ❖ Anaheim Housing Authority (AHA)
 - ❖ Santa Ana Housing Authority (SAHA)
 - ❖ Garden Grove Housing Authority (GGHA)
- Each PHA can “*project-base*” up to 20 percent of the HCVs to develop affordable and permanent supportive housing. However, PHAs may project-base an additional 10 percent of their Annual Contributions Contract (ACC) authorized units above this program limit, provided these units fall into one of the eligible exception categories:
 - ❖ Units Made Available to House Individuals and Families Experiencing Homelessness
 - ❖ Units Made Available to House Veterans
 - ❖ Units Providing Supportive Services
 - ❖ Units Located in a Census Tract with a Poverty Rate of 20 percent or less; or
 - ❖ Units Made Available to Foster Youth Utilizing Family Unification Program/Foster Youth to Independence Awards

Business Calendar – Item #2

Background

- The Project-Based Voucher (PBV) program is a discretionary component of the HCV program. Under the PBV program, the PHA enters into a long-term Housing Assistance Payments Contract with the owner for a specified number of units for up to a 20-year term, with the option for an additional 20-years.
- Eligible persons are referred from the Coordinated Entry System (CES) for permanent supportive housing units created with PBVs.
- CES will prioritize individuals and families with the longest length of homelessness in the community and highest service needs determined by CES assessment tools and case conferencing.
- Tenants residing in project-based units pay 30 percent of their income for rent and utilities, and the balance of their housing costs are paid by the PHA. Tenants in project-based units are assisted as long as they live in the unit and continue to qualify for the program.

The Kennedy Commission

State and Federal Housing Updates

February 9, 2024

March 2024 Ballot Measures

- **Prop 1 - Behavioral Health Services Program and Bond Measure** - A collective of two bills intended to reform the Mental Health Services Act and ensure housing for California's most vulnerable communities.
 - **SB 326 The Behavioral Health Services Act (Eggman)** - Proposed reforms to The Mental Health Services Act by including veterans to the eligible population and expanding services; counties can use the funds for including 30% set aside for housing.
 - **AB 531 The Behavioral Health Infrastructure Bond Act (Irwin)** - The Behavioral Health Infrastructure Bond which will place a \$6.38 billion bond that will be distributed in this way:
 - \$4.4 Billion for the creation/construction of treatment beds for patients with behavioral health needs
 - \$2 Billion to fund the construction, rehabilitation, or conversion of supportive housing for veterans and homeless individuals experiencing behavioral health conditions
 - \$1.065 billion will be set aside for Veteran-specific housing.

November 2024 Ballot Measures

- **ACA 1 (Aguiar Curry)** - Will propose to voters a constitutional amendment to lower the necessary vote threshold from a two-thirds supermajority to 55 percent to approve local general obligation (GO) bonds and special taxes for affordable housing and public infrastructure projects.
- **ACA 13 (Ward)** - Initiatives that change vote thresholds to supermajority votes would have to pass by the same vote requirement as is being proposed. Would ensure local governments can always ask voters for their opinion on issues.
 - i.e if an initiative requires a two-thirds (66.67%) vote for new taxes, the initiative would also have to pass by a two-thirds vote.

Orange County Homelessness Prevention and Stabilization Pilot Program

- Orange County pilot program initiated by Supervisors Sarmiento passed with unanimous approval from the Board of Supervisors.
- Sets aside \$3 million to help at-risk residents through a variety of resources such as: **workforce development, financial literacy education, and food pantry services combined with direct payments, wrap-around services, and a robust case management system.**
 - Designed to proactively address homelessness, promote housing stability, and target immediate needs such as healthcare and housing
- The program utilizes \$1.5 million from Second District discretionary funding and \$1.5 million repurposed from residual American Rescue Plan Act (ARPA) funding.

Emergency Rental Assistance Program (ERAP)

- A preventative measure by Supervisor Chafee to provide short-term rental assistance to eligible residents for up to 3 months with case management services provided by The Friendly Center.
- Eligibility for the ERAP program requires:
 - Residency in the Fourth District (Brea, Buena Park, Fullerton, La Habra, Placentia, Stanton, and some portions of Anaheim).
 - Be at risk of losing housing due to unpaid rent
 - Be in a low-income household based on Federal HUD guidelines
 - Experience a sudden change in income due to one of the following: sudden medical emergency, loss of employment, loss of a partner/family member on the rental lease, or being unhoused but earning sufficient income.
 - Committed to case management.
- The Friendly Center will collect survey information from participants in three-month, six-month, and one year intervals to measure the success of the initiative.
- The Program will allocate \$500,000 from District Four discretionary funds.

 - An additional \$500 million for the Low Income Housing Tax for 2024-25
 - Any General Fund Investments for 2024-2025
 - 2018 Bond dollars

Governor's Proposed Budget on Homelessness

- Proposes the following budget solutions for the Homelessness Housing, Assistance and Prevention Program (HHAP) Program
 - Maintains a total of \$1.1 billion General fund for the HHAP Round 5 across 2023-24 and 2024-25, with nuances such as:
 - Delays \$260 million in bonus round funding from 2023-24 to 2025-26
 - Reverts \$100.6 million in administrative savings, leaving \$51.1 million for program administration
 - No HHAP Round 6 Proposed, though it is open to discussion
 - Budget Summer ("A pages") do not specify amount or program
 - Makes further support contingent on recipients making progress on commitments from earlier HHAP rounds
 - No cuts to the Encampment program proposed
 - No delays related to Health and Human Services programs.

California Affordable Housing Budget Overview

- No New General Fund Funding.
- The gap created by the lack of State funding prevents housing from being built.
 - California is estimated to reduce the production of affordable homes, by a third. A loss of 6,400 homes.
 - California will be leaving \$1.6 billion of federal resources on the table

Programs being reverted affecting Affordable Housing:

- **Multifamily Housing Program:** Budget reverting to \$250 million from \$325 million. Leaving \$75 million in the 2024 budget for that purpose.
- **Infill Infrastructure Grant Program:** Budget reverting to \$200 million from \$225 million. Leaving \$25 million.
- **Veteran Housing and Homelessness Prevention Program:** Reverting \$50 million, eliminating the program.

New Proposal in the Legislature to fund Affordable Housing: AB 1657 - The Affordable Housing Bond of 2024

- Authorizes the issuance of bonds in the amount of \$10 Billion, the sales of which will be used to finance programs to expand and rehabilitate affordable housing and homeownership programs.
 - California needs an additional 180,000 new units of housing a year in order to keep up with demand.
 - The previous iteration of a multi-family affordable housing program, the Multi-family Housing Program (MHP) was oversubscribed ten-to-one.
- **Currently held in submission in Senate Committee on Appropriations;** will be worked on for it's reintroduction in the current 2024 Legislative Cycle as a two-year bill.

AB 1657 - The Affordable Housing Bond of 2024 (Cont.)

- AB 1657 is a \$10 billion housing bond will be allocated in this way:
 - \$7 billion for the Multifamily Housing Program
 - \$1.5 billion for preservation programs
 - \$1 billion for homeownership programs
 - \$500 million for Tribal and Farmworker program
- The reintroduction and passing of AB 1657 is an effective solution to the Governor's proposed cuts to the Multifamily Housing Program

Federal Budget Outlook: FY 2024-25

House FY24 THUD Spending Bill

- Overall HUD Funding: \$68.2 billion
 - \$6.4 billion (approx. 10%) increase from FY23
- Proposes deep cuts or eliminations of some programs.

Senate FY24 THUD Spending Bill

- Overall HUD funding: \$70.06 billion
 - \$8.26 (approx. 13%) increase from FY23
- Few funding cuts under Senate draft, although Public Housing Capital Funds included in proposed cuts

At current levels, neither bill is expected to provide sufficient funding for Housing Choice Vouchers

Federal Budget Outlook for FY 2024-25 (Cont.)

- Both chambers of Congress must reconcile differences between the House and Senate draft bills by March 1st.
 - Housing Voucher costs are still catching up to steep rent increases.
 - The Kennedy Commission believes that any funding measure should fully fund voucher renewals and prevent cuts to a program that helps millions of people pay rent each month and keep a roof over their head.
- Both Proposed funding levels come up short
 - **House:** 112,000 vouchers lost upon turnover
 - **Senate:** 80,000 vouchers lost upon turnover
- The Kennedy Commission is steadfast in advocating for a healthy THUD budget to Orange County Representatives.
