MEMO

TO: All Commissioners
FROM: Jo-Anne Matsuba, Commission Chairwoman
RE: *Healing from Hate* Film Screening

BACKGROUND:

Commission staff and hate crime prevention network partner, Michael Brown with Department of Homeland Security, have been discussing the opportunity to host a [Healing from Hate](#) film screening event in different cities in Orange County in a hybrid model (in-person & online).

Healing from Hate is a documentary film that examines the root causes of hate group activity through the bold work of those battling intolerance on the front lines. The film follows former hate-group members in their work to de-radicalize white nationalists, and heal communities torn apart by racism.

DISCUSSION:

The goal is to create a space for community members to learn more about hate groups and how former hate group members have left. Additionally, we hope to create a space for dialogue on ways to combat hate and foster a community centered around love.

- The tentative date for this event is January 6, 2022
- The screening is approximately 1.5 hours. We are hoping to have a dialogue/speaker panel, but this is dependent on the budget.
- We are hoping to partner with other local organizations in Orange County for this event as well.

There is a screening cost that covers the licensing fee for the film and a customized screening page (landing page example – <https://www.mediaed.org/healing-from-hate-watch-party-demo/>).

The goal is to have the Commission join the list of organizational leads and participate in organizing and hosting of the event along with OC Human Relations Council, Department of Homeland Security, Media Education Foundation, and other organizations who are still pending, at no cost to the Commission.

RECOMMENDATION:

Commission Chair to form an Ad Hoc Committee assigned to participate in organizing and hosting the *Healing from Hate* film screening in 2022.
