April 30, 2020

Dear Commissioners,

My name is Husna Farukhi and I am a junior in high school. I am working on a project of Mercy2Humanity which I founded. We are giving over 2000 sanitary care packs that have a pair of gloves, a mask and hand sanitizer with a message of hope to needy individuals in our communities at shelters or in collaboration with various organizations and law enforcement and fire departments. I would like to welcome you to look at what we are doing and see how the Commission can be part of it or help in the project to care for others.

Who is Mercy 2 Humanity (M2H)?

M2H is a collaborative platform to promote social good through acts of kindness and compassion. We provide services

To families and individuals in need through partnerships with non-profits, community organizations and volunteer groups.

M2H facilitates the distribution of in-kind donations and assistance to the homeless community, economically disadvantaged families, the medically challenged and elderly population.

Our Focus:

To develop caring communities that make a difference in peoples' lives through service, one act at a time.

M2H Sustainable Model and Call to Action:

We hope to inspire and engage individuals and communities to act by identifying the processing needs of their community and provide much-needed help and support.

Current Project:

Under the current COVID-19 pandemic, M2H is providing sanitary care packages to the most vulnerable and needy in the community in OC and in LA.

We distribute these essentials in coordination with local police outreach departments, community-based organizations and homeless shelters.

We have thus far donated items to Access California in Anaheim, Buena Park Police Dept. Distributed in Crenshaw area in Los Angeles.

How Can You Help:

We request that the Orange County Human Relations Commission be part of this initiative either as a body or as individual Commissioner to sponsor and or to give out these essential sanitary care packs to shelters such as City Net or other entities that can benefit from these small acts of kindness.

The Commission can insert an information card with COVID-19 resources statement to direct the community or individual to report any hate incidence and other biases during this crisis as a tool to promote the good work of OCHRC for public benefit and how to receive the help.

Donate and Become an M2H Ambassador:

You can help put the packages together by sponsoring a box of 25 to assemble for \$75.

Or will give it for free to put together and hand out in your immediate neighborhood.

Donate online or in kind by calling 714-356-6102 and ask for Fareed.
