**Policies, Procedures and Standards (PPS)  
Committee Recommendation**

Erin DeRycke, Director, Data Analytics, 2-1-1  
Orange County (211OC), Orange County United  
Way and Nishtha Mohendra, PPS Committee Chair

# Background

- The HMIS Policies and Procedures was approved by the CoC Board in August 2024, with the exception of the Client Record Request policy
- The CoC Board requested additional research be done to determine if the Client Record Request policy should be updated to allow clients to request their full record in HMIS
- Additional policies and forms are being updated to provide clarity, reflect new guidance, or reflect new internal processes

# Process

- 211OC met with the HMIS Working Group in November to discuss revisions, and a user feedback period occurred from November 15<sup>th</sup> – December 1<sup>st</sup>
- Proposed changes to the Policies and Procedures were presented to the Lived Experience Advisory Committee (LEAC) on December 4<sup>th</sup>
- Progress on the revisions were presented to the Policies, Procedures, and Standards Committee (PPS) on December 10<sup>th</sup>
- Client Record Request Survey feedback period: 1/14 – 1/31
  - 211OC released a survey to understand how agencies are currently handling record requests, if agencies have their own internal policies, and how many requests agencies are receiving
- Updated Policies and Procedures approved by the LEAC on April 2<sup>nd</sup> and the PPS Committee on May 13<sup>th</sup>
- Feedback received throughout the process can be referenced in **Item 2. Attachment A**

# Client Record Request Research

- Three CoCs (Long Beach, Riverside, Bakersfield/Kern County) do not appear to have any client record request policy
- The LA Collaborative (Los Angeles, Glendale, and Pasadena) allows clients to review all data in their HMIS record, including case notes
- The San Diego CoC allows clients to review data that the client provided to the agency, like Universal and Program Specific Data Elements, for the purposes of reviewing and correcting their data
- HUD states that whether or not a client can view their HMIS record is at the CoC's discretion

# Client Record Request Considerations

- Pulling a client's full HMIS record is time-consuming for HMIS staff (2 hours or more per request)
  - If many requests are received at the same time, or records being requested are large, the team may need to limit hours that can be spent on these requests each month
- Since September 2020, all users have completed training on best practices for case notes data entry
- HUD guidance is that case notes may be released at a CoC's discretion
- Agencies are not able to pull a client's complete HMIS record due to permission settings
- Legal Council suggested a review of each agency's liability insurance if case notes are being shared with clients

# Update: Client Record Requests

- Clients requesting specific information in their HMIS record may work directly with an agency participating in HMIS
  - Case notes may be shared by the agency that entered them at the agency's discretion
  - Agencies can only provide information that they have access to view in HMIS
- Clients that want to receive their full HMIS record may submit a record request by contacting a Service Provider currently participating in HMIS
  - Clients will be able to select the types of data they would like to review
  - Case notes are not included in the full record request submitted to the HMIS Lead
- Clients may request edits to data they contributed to HMIS
  - Clients that wish to edit data for a specific project must contact the agency directly to request the edit
  - If a project is closed or the agency administering the project is no longer participating in HMIS, no edits can be made.
- Data contributed by a participating agency (enrollment history, services, case notes, etc.) cannot be edited at a Client's request

# Update: Data Use & Disclosure

- Clarify that data may be used or disclosed without client consent for system administration, technical support, program compliance, analytical use, and other purposes as outlined in the Privacy Notice or required by law

# Update: Data Release

- Clarify that client data will not be shared without consent except for uses and disclosures outlined in the Policies and Procedures or otherwise required by law
- The HMIS Lead, CoC Collaborative Applicant, CES Lead, and CES Administrators may release aggregate data about the CoC without organization or CoC Board permission

# Update: Data Integration

- Agencies must be approved for HMIS access before submitting any data integration requests
- Update language around new API process
- Data normalization tasks added
- Agencies requesting to integrate their own HMIS data with a case management software will be reviewed and approved by the HMIS Lead.
- Requests to integrate Coordinated Entry System data will be reviewed and approved by the HMIS Lead and the CES Lead
- Agencies requesting to integrate HMIS data from other agencies that they do not manage will be reviewed and approved by the CoC Board.

# Update: Client Consent

- Clarify that the client is consenting for their data to be shared with other service providers/organizations in HMIS
- Signing the consent form also means that the client's data may be included in data requests approved by the CoC Board

# Update: Grievance Form

- Refer clients to OCC for grievances related to the Coordinated Entry System
- Provide examples of HMIS-related grievances

# Update: Privacy Notice

- Clarifies that there are situations where client data may be disclosed without the client's consent
- Clients that submit a Client Record Request will have their full record sent to the agency that submitted the request on their behalf

# Business Calendar – Item #2

## Recommended Action

- a. Approve the recommended revisions to the HMIS Policies and Procedures, inclusive of the Client Record Requests, Data Use and Disclosure, Data Integration, and Data Release policies, as well as updates to the Client Consent Form, Grievance Form, and Privacy Notice, as recommend by the Orange County HMIS Policies and Procedures Working Group, Lived Experience Advisory Committee, and PPS Committee.

Coordination

# **Overview of the CoC Builds NOFO**

# Business Calendar – Item #3

## Continuum of Care Builds (CoCBuils) NOFO

- On July 22, 2024, the U.S. Department of Housing and Urban Development (HUD) announced approximately \$175 million in funding through the CoCBuils NOFO – a first of its kind funding for new construction, acquisition, or rehabilitation of permanent supportive housing (PSH).
- On November 20, 2024, the Orange County CoC, with collaboration from Jamboree Housing Corporation (Jamboree), submitted the final CoCBuils Application to HUD via Grants.gov.
- At the April 23, 2025, meeting of the CoC Board, the Office of Care Coordination shared that the CoCBuils NOFO that the Orange County CoC applied for on November 20, 2024, had been removed from the HUD webpage and there had been no public communication from HUD on the status of the grant opportunity.
- On May 16, 2025, HUD sent a letter via email to CoCBuils Applicants sharing that a CoC Builds NOFO was published on May 16, 2025, and that the NOFO *supersedes* the CoCBuils NOFO published July 19, 2024, and includes several changes.
- Applications received before the publication of the May 16, 2025, NOFO will not be considered for funding unless resubmitted under the recently published CoC Builds NOFO.

# Business Calendar – Item #3

## CoC Builds NOFO

- HUD is making **\$75 million** through the CoC Builds NOFO. HUD expects to only make approximately **8 awards nationwide** from the funds available under the NOFO.
  - Of this \$75,000,000, not less than \$30,000,000 is available only for CoC's that are located in state with populations of fewer than 2.5 million people.
- The CoC Builds NOFO targets efforts within CoC geographic areas to address and reduce the number of individuals and families experiencing homelessness by adding new units of PSH through new construction, acquisition, and rehabilitation (capital costs) through one-time CoC Builds awards under the CoC Program.
- Through the NOFO, HUD encourages CoCs to leverage funds provided for capital costs of new PSH units with other funding sources to maximize the amount of housing that can be created.
- The CoC Builds NOFO is available on [Grants.gov](https://www.grants.gov) and the [Statutorily or Congressionally Mandated Information page](#) on HUD's website.
- The submission deadline for the CoC Builds NOFO is **June 26, 2025, at 5:00 p.m. PDT.**

# Business Calendar – Item #3

## CoC Builds NOFO

- A notable change that the Office of Care Coordination identified was the maximum award amount.
- The maximum award amount for a single project may not exceed the maximum amount listed in the Maximum Amount for a Single Project column of the following chart.
- See **Item 3. Attachment A, page 70** of the agenda packet for further details on how HUD determines these amounts.
- The Orange County CoC is **eligible to apply for a maximum of \$9,000,000**

Final Pro Rata Need (FPRN) Amount	Maximum Amount for a Single Project	Maximum Amount for Projects Submitted by CoCs with Units Located on Tribal Reservations, Trust Lands, or in Tribal Projects located in Indian Housing Block Grant Program (IHBG) Formula Areas
\$40,000,000 and above	\$12,000,000	\$14,000,000
\$10,000,000 to \$39,999,999	\$9,000,000	\$11,000,000
\$0 to \$9,999,999	\$6,000,000	\$8,000,000
CoCs that are the only CoC within their State or Territory	\$12,000,000	\$14,000,000

# Business Calendar – Item #3

## CoC Builds NOFO

- The Office of Care Coordination observed some additional notable changes, including:
  - **Available Funds Nationwide.** \$75 million in competitive funding is available. In the coming months HUD will make \$100 million of FY 2024 CoC Builds Funds available through a separate competitive CoC Builds NOFO.
    - **The former NOFO made available the entire \$175 million**
  - **Maximum Award Amount.** The Orange County CoC is eligible to apply for a maximum of \$9,000,000.
    - **The Orange County CoC was eligible to apply for \$7.5 million in the former NOFO**
  - **Number of Awards.** HUD expects to make approximately 8 awards from the funds available under the NOFO.
    - **The former NOFO expected to make 25 awards**
  - **Rating Factors.** Changes to the Rating Factors criteria and points allocations.
  - **Removal of Equity Narratives.** Removal of the following equity requirement narratives including Advancing Racial Equity, Affirmative Marketing and Outreach, and Affirmatively Furthering Fair Housing.
  - **Removal of CoC Board Support Letter.** Removal of the letter signed by the CoC Board President or Committee stating the CoC supports the submission of the selected application.
  - **Application Platform.** Under this NOFO, Collaborative Applicants must submit applications on behalf of project applicants online through e-snaps, rather than Grants.gov.

# **Jamboree's PSH Project Proposal**

# Business Calendar – Item #3

## Jamboree's PSH Project Proposal

- During the August 28, 2024, meeting of the CoC Board, the Orange County CoC Board approved the recommendation to establish a non-conflicted ad hoc to evaluate proposals submitted in response to the Request for Proposals (RFP) for the CoCBuils NOFO.
- On September 12, 2024, the Collaborative Applicant for the Orange County CoC released the local RFP to solicit proposals from qualified organizations for a PSH project to be potentially funded by the funding available through the CoCBuils NOFO.
- A total of three (3) project proposals were submitted in response to the CoCBuils Projects RFP.
- Utilizing an overall average score for each proposal, the CoCBuils NOFO ad hoc recommended the proposal with the highest score to be recommended to the CoC Board for approval. Jamboree's PSH project proposal called Costa Mesa Senior was recommended.
- At the November 5, 2024, meeting of the CoC Board, the Orange County CoC Board approved the recommendation to approve Jamboree's PSH project proposal called Costa Mesa Senior submitted in response to the CoCBuils Projects RFP, for inclusion in the Orange County CoC CoCBuils NOFO Application to HUD, as recommended by the CoCBuils NOFO ad hoc.

# Business Calendar – Item #3

## Jamboree's PSH Project Proposal

### Jamboree: Costa Mesa Senior

- Funding Amount Request: \$9,000,000
- Will provide supportive services including case management, life skills training, access to substance use counseling and treatment, benefits counseling, mental health care and physical health care support
- Will provide 69 total affordable units
  - 35 one-bedroom units for households experiencing homelessness with a disability at or below 60% of the Area Median Income (AMI)
  - 33 one-bedroom units for households at or below 30% of the AMI
  - 1 two-bedroom unit for households at or below 30% of the AMI
- Half of the proposed units (34) will be PSH units

# Business Calendar – Item #3

## Jamboree's PSH Project Proposal

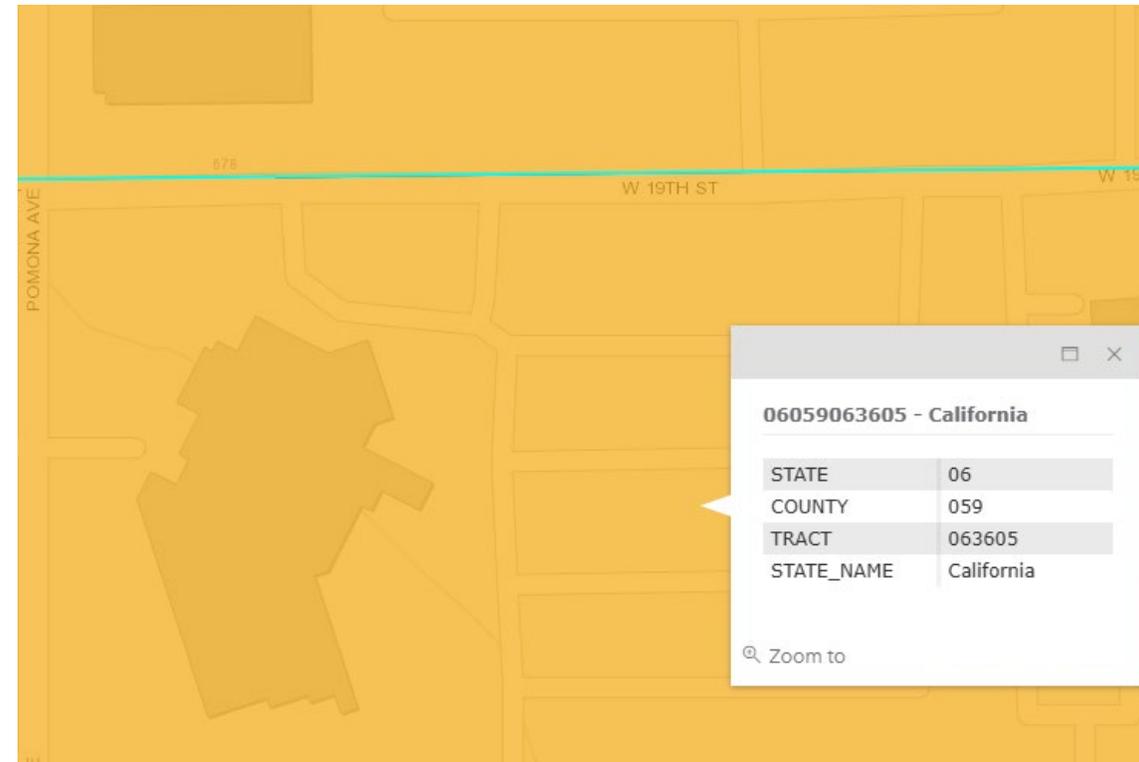

### Jamboree: Costa Mesa Senior

- Will leverage Mental Health Services Act (MHSA) funds, Local Housing Trust Fund (LHTF) dollars and other resources/funding.
- The total development cost for Costa Mesa Senior is \$57,929,524 (\$827,654 per unit), and all units will be in the same standalone four-story building. The total construction costs are \$32,536,875
- The \$9,000,000 of CoC Builds funding would provide gap funding for the Costa Mesa Senior project

# Business Calendar – Item #3

## Opportunity Zones

- CoC Builds Applications may receive up to two (2) points, if the proposed activities are within an Opportunity Zone.
- Opportunity Zones are economically distressed communities, defined by individual census tract, nominated by America’s governors, and certified by the U.S. Secretary of the Treasury.
- Preference points will be provided if the address of the project is in the Opportunity Zone.
- Jamboree’s proposed project, Costa Mesa Senior, is within an Opportunity Zone.

# Business Calendar – Item #3

## Next Steps

- The Collaborative Applicant is seeking support from the Orange County CoC Board membership to apply for the CoC Builds NOFO utilizing an updated version of Jamboree Housing Corporation's Costa Mesa Senior project application that was approved by the CoC Board and submitted to HUD in 2024.
- Approval of the recommended actions will allow the Orange County CoC to apply for the CoC Builds NOFO to support the ongoing efforts to continue developing housing opportunities and address and reduce the number of people experiencing homelessness in Orange County.

# Business Calendar – Item #3

## Recommended Actions

- b. Approve Jamboree Housing Corporation’s permanent supportive housing project proposal called Costa Mesa Senior as previously approved by the CoC Board on November 5, 2024, for inclusion in the Orange County CoC CoCBUILDS NOFO Application due to HUD on June 26, 2025.
- c. Authorize the Office of Care Coordination, as the Collaborative Applicant, to work with Jamboree Housing Corporation to amend and update the Costa Mesa Senior proposal and the Orange County CoCBUILDS NOFO Application in accordance with the current CoCBUILDS NOFO requirements, to ensure a competitive application.

Partnership with Supervisor Sarmiento's Office and Orange County

May 28<sup>th</sup>, 2025

Continuum of Care Board Meeting

# Introduction

- Orange County has embarked on a new pilot program - the **Homelessness Prevention and Stabilization Program (HPSP)** - to help at-risk people remain stably housed.
  - Spearheaded by Supervisor Sarmiento (2nd District) and the OC Commission to End Homelessness
  - Oversight by Office of Care Coordination
  - United Way of Orange County is HPSP Administrator
  - 211 OC oversees screening/implementation
- Evaluation of this pilot program is mandated in order to determine the efficacy of expanding HPSP countywide.
  - Support for evaluation from 2nd District, CalOptima

# HPSP Overview and Goal

- HPSP had dedicated \$3 million between 2024 and 2026 to provide emergency rental assistance and/or cash payments to approximately 200 households with low incomes living in OC.
  - Program targeted at individuals at risk of homelessness as a result of falling behind on rent, utility bills, and other similar expenses.
  - Can provide lump-sum payments to help cover rent owed, and in some cases also ongoing monthly stabilization payments to households.
- Primary goal: improve housing stability by reducing formal or informal evictions that might push people into homelessness.

# HPSP Evaluation

- Research team at UCI and UCLA have partnered with United Way, Supervisor Sarmiento's Office, and CalOptima to conduct a rigorous evaluation of HPSP.
  - Key focus: whether the program can help families remain stably housed
- In consultation with partners, developed multi-pronged approach to examining the program's effectiveness.
  - Surveys of HPSP participants and a comparison group at baseline, 6 months, 12 months, and 18 months
  - HMIS data for the same individuals.

# HPSP Evaluation Populations

- Individuals contacting 211 OC and prescreened as potentially eligible for HPSP are asked whether they are willing to be contacted by our research team.
  - Some of these individuals enroll in HPSP, others not (because they ultimately fail to meet all eligibility requirements, or HPSP case managers are at capacity).
- The research team reaches out to those willing to be contacted with a baseline survey.
  - Before completing the survey, individuals consent for the research team to link their information to HMIS.

# HMIS Data

- HMIS data for individuals in the study will be used to examine contact/participation in other types of homelessness services.
  - This information is crucial to understanding housing stability for our study populations.
    - how have they engaged in the past
    - ensure that HPSP are similar regarding engagement to non-HPSP individuals in the study
- This request covers only those data element important for the evaluation of HPSP and excludes and elements that are sensitive and/or not critical to the evaluation.

  - April 1, 2027 – June 30, 2027
  - July 1, 2027 – September 30, 2027
  - October 1, 2027 – December 31, 2027

# Data Matching

- For clients in HPSP with an HMIS number, the research team will provide the HMIS number to match records.
- For those clients without HMIS numbers, the research team proposes to conduct probabilistic matching (based on first and last name, DOB, and, if available, zip code).
- To maximize data security, the matching will be conducted using a remote computer.

# Data Security

- The data will be housed in UCI-administered secure servers and only accessed by the research team for evaluation purposes
- Security and privacy measures have been reviewed and approved by UCI's Institutional Review Board (IRB) (Protocol #4973).

# Knowledge gained from evaluation

- The HMIS data will help answer the question of whether HPSP helps stabilize housing and avert homelessness.
- The research team will report findings from these data to the CoC Board and other county partners at the end of the evaluation.

Thanks!

# Community Program Planning

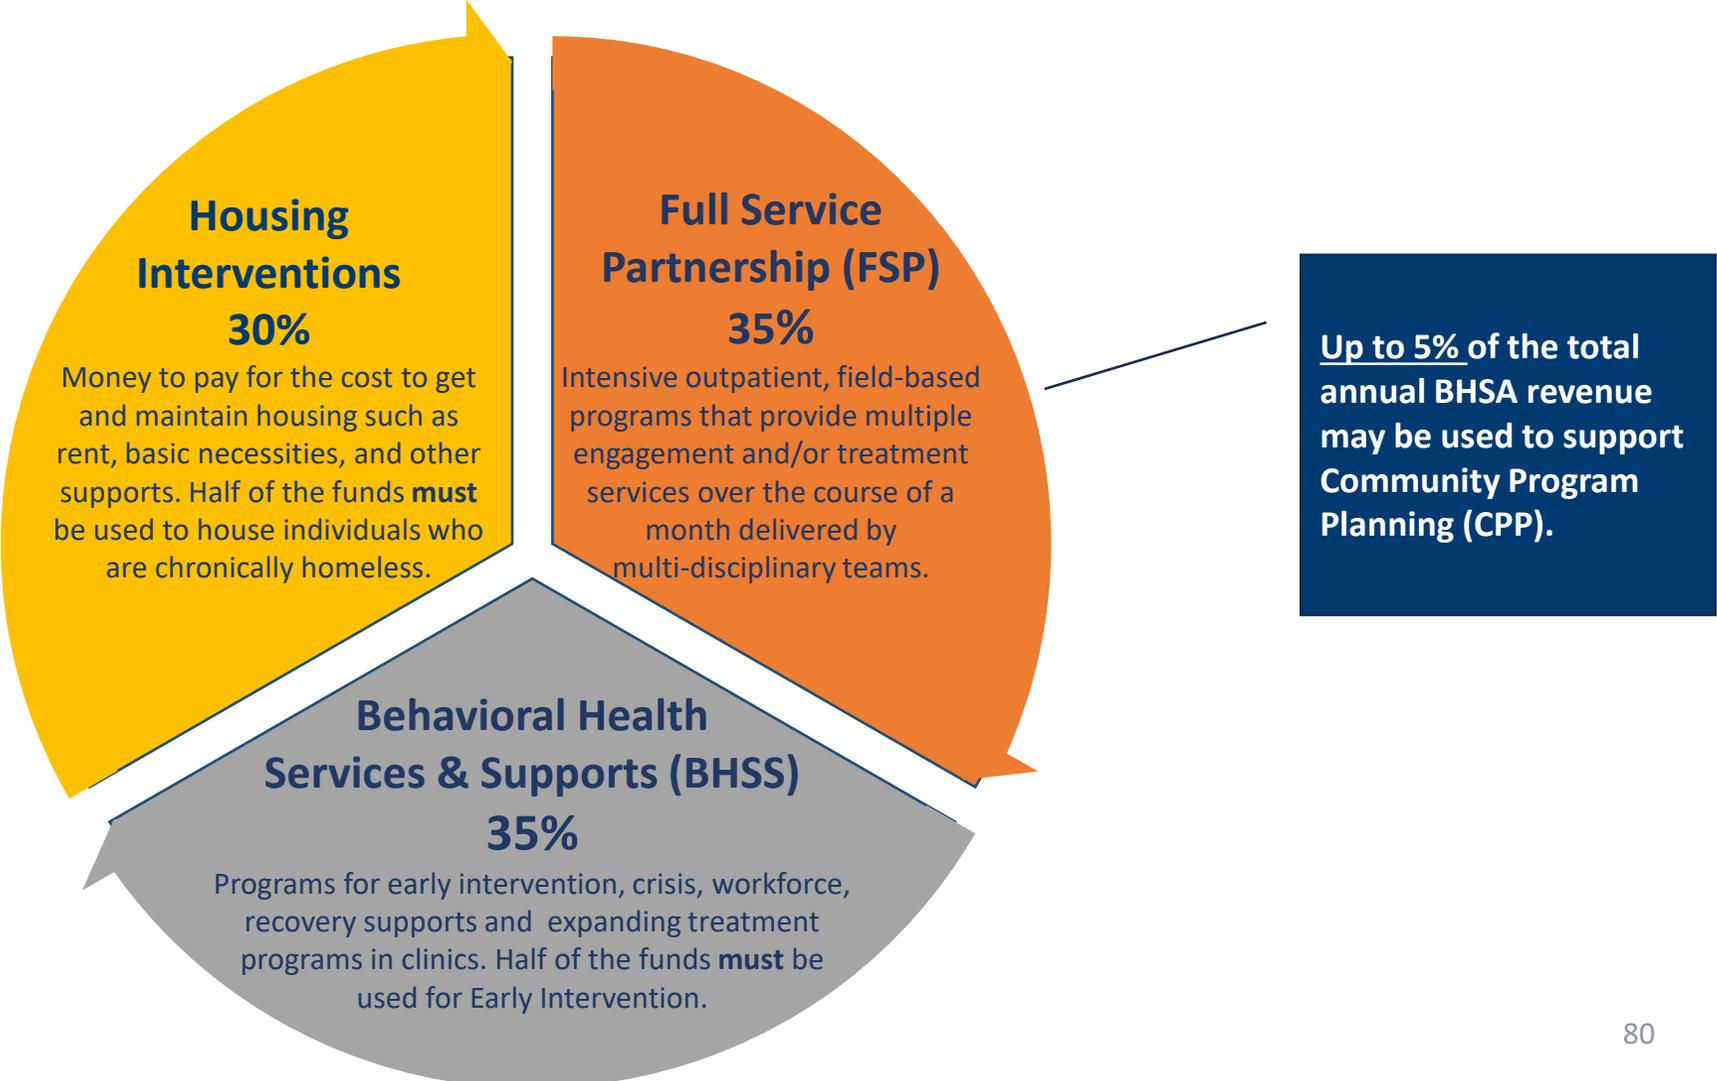

# Opportunity for Collaboration

- Community Program Planning - a collaborative process involving consumers/family members, system partners, healthcare professionals, and other stakeholders to create a healthier and more equitable environment.
  - Identifying community-defined needs
  - Developing strategies
  - Implement programs to address those needs.
- By strategically planning BH intervention, treatment and support programs, initiatives are aligned with community priorities, resources are used effectively, and desired outcomes are achieved.

# BHSA Workgroups

# BHSA CPP: Framework

# Why join a BHSA Workgroup?

- This collaborative process will ask consumers, system partners, professionals and other stakeholders to work together to create a more equitable system of care.
- These workgroups will assist with our community program planning to ensure services, treatment and support programs are strategically aligned with community priorities, resources are used effectively, and desired outcomes are attained.

YOU can help to **improve** the health and well-being of the community.

YOU can help **identify** community-defined needs.

YOU can help **develop** strategies to address those needs.

# Workgroup Info

## **Housing Interventions:**

Developing recommendations for how to use housing subsidies and supports and for the development of permanent supportive housing.

## **Full-Service Partnerships (FSP):**

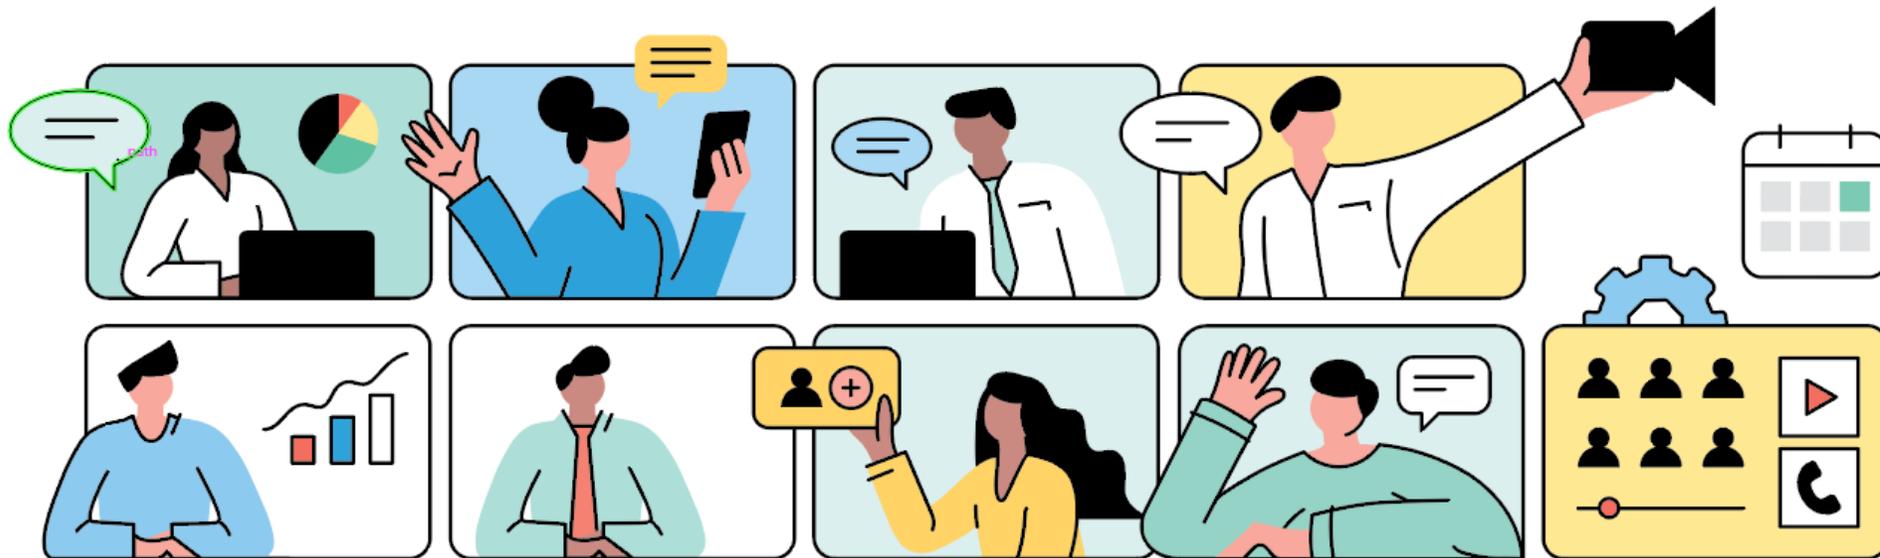

Providing input into the development of programs that provide intensive outpatient services and support.

## **Behavioral Health Services and Supports (BHSS):**

Help to inform the development of programs that intervene early in a behavioral health condition, strategic outreach, and offer additional treatment and recovery supports.

**FY 2024 Orange County System  
Performance Measures Report**  
Erin DeRycke, Director, Data Analytics,  
2110C, Orange County United Way

# System Performance Measures

- CoCs are required to measure their performance annually as a coordinated system and submit the results to HUD
- System Performance Measures (SPM) allow the CoC to evaluate and improve their performance as a whole
- HUD uses data from the performance measures as selection criteria to award grants under the CoC Program
  - HUD will determine which performance measures are most appropriate and constructive as selection criteria
  - HUD will evaluate how CoCs are improving their performance from year to year, and will take into account unique circumstances and conditions of the CoC
  - Results of the SPM evaluation is incorporated into the CoC application score

# Report Specifications

- Data is pulled annually from 10/1 through 9/30
- Current reporting period: 10/1/23 – 9/30/24
- Project types:
  - Street Outreach
  - Emergency Shelter
  - Transitional Housing
  - Rapid Re-Housing
  - Permanent Supportive Housing
  - Other Permanent Housing

# Performance Comparison from Previous Year

- Improved Performance Scores

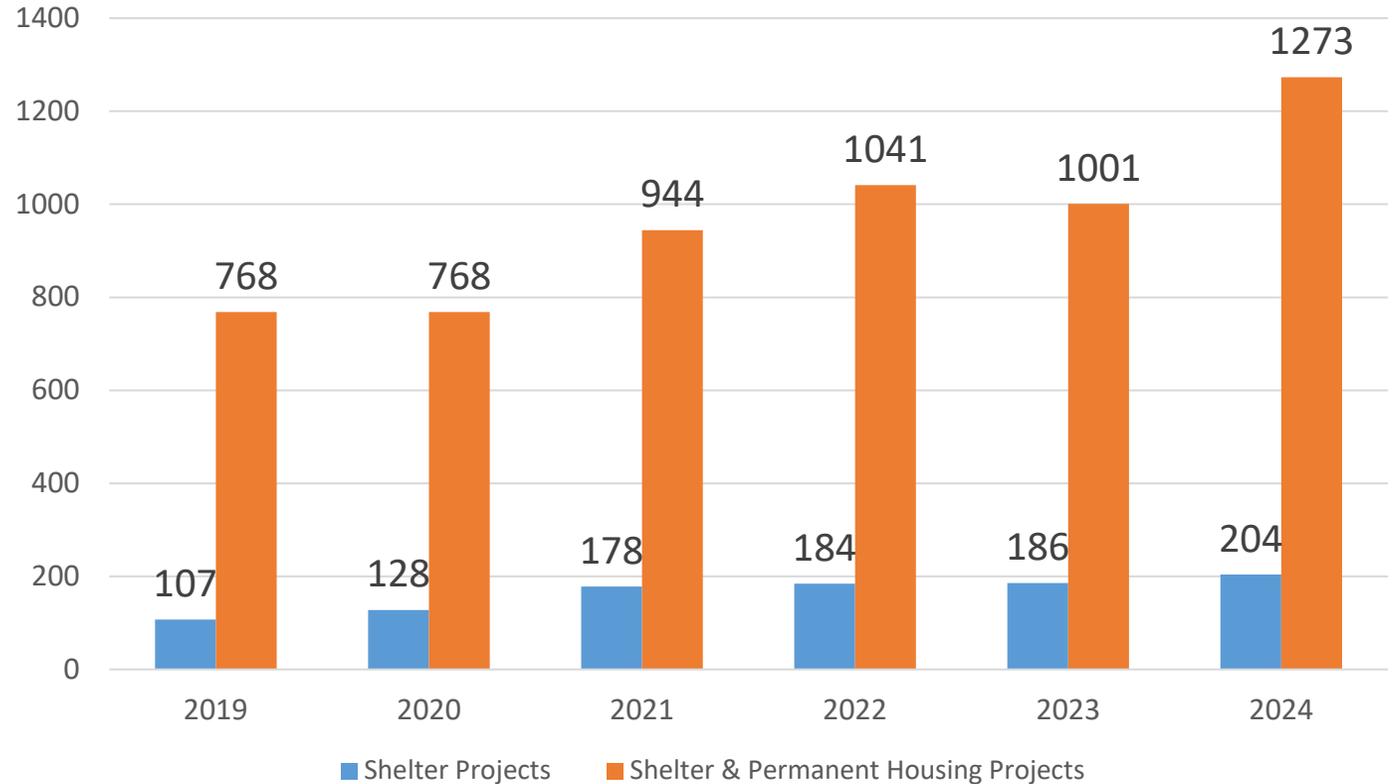

-  1. Returns to Homelessness
-  2. People who Become Homeless for the First Time
-  3. Successful Exits from Street Outreach

- Declined Performance Scores

-  1. Length of Time People Remain Homeless
-  2. Number of People Experiencing Homelessness
-  3. Increase in Income For Adults in CoC Funded Projects
-  4. Successful Exits From Emergency Shelter, Safe Haven, Transitional Housing, Rapid Re-Housing

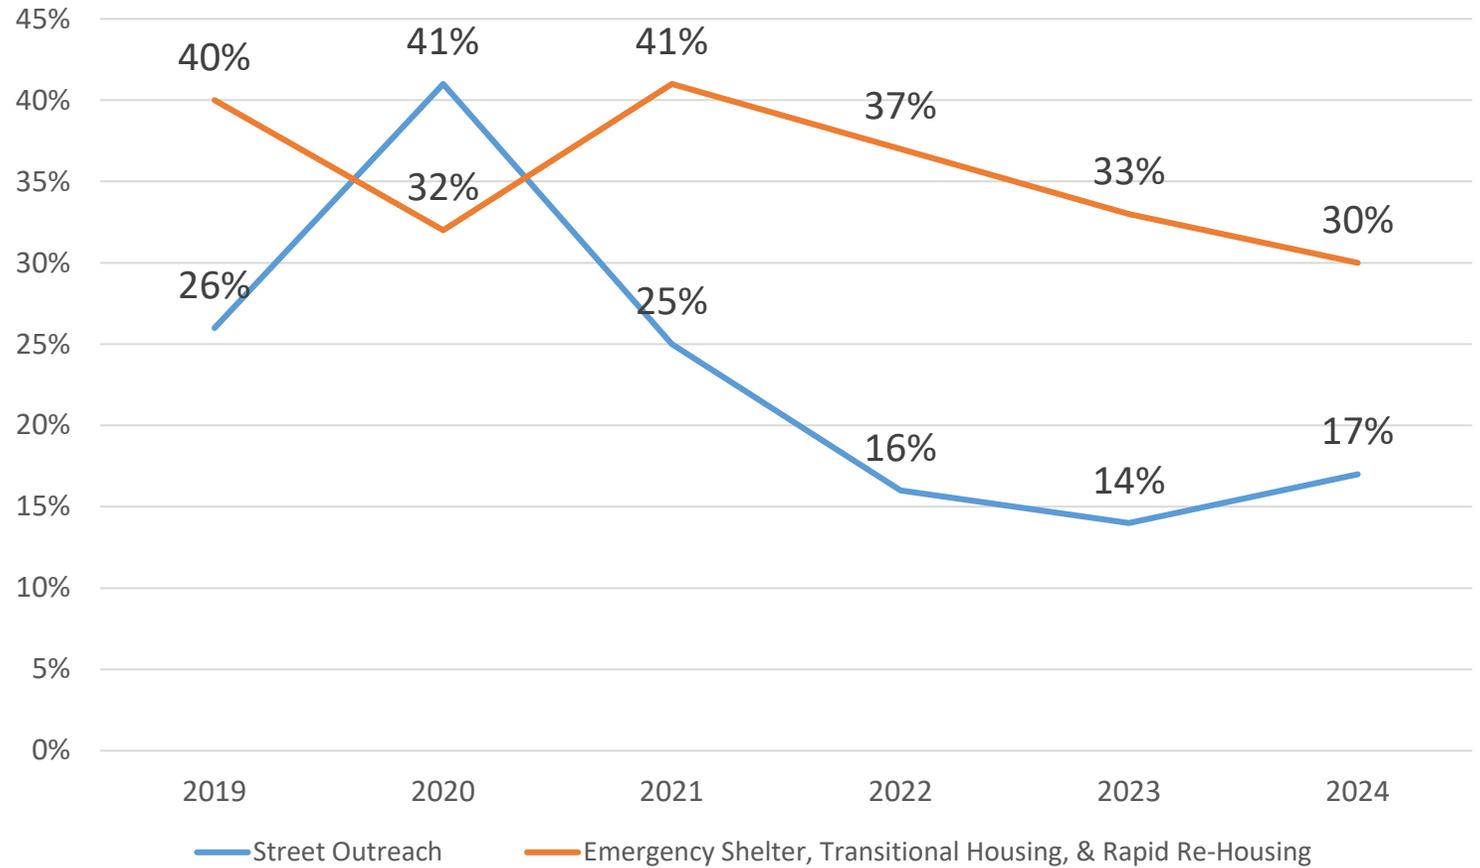

# Length of Time Homeless

People are experiencing homelessness for longer periods of time than they were in 2019, before the COVID-19 Pandemic

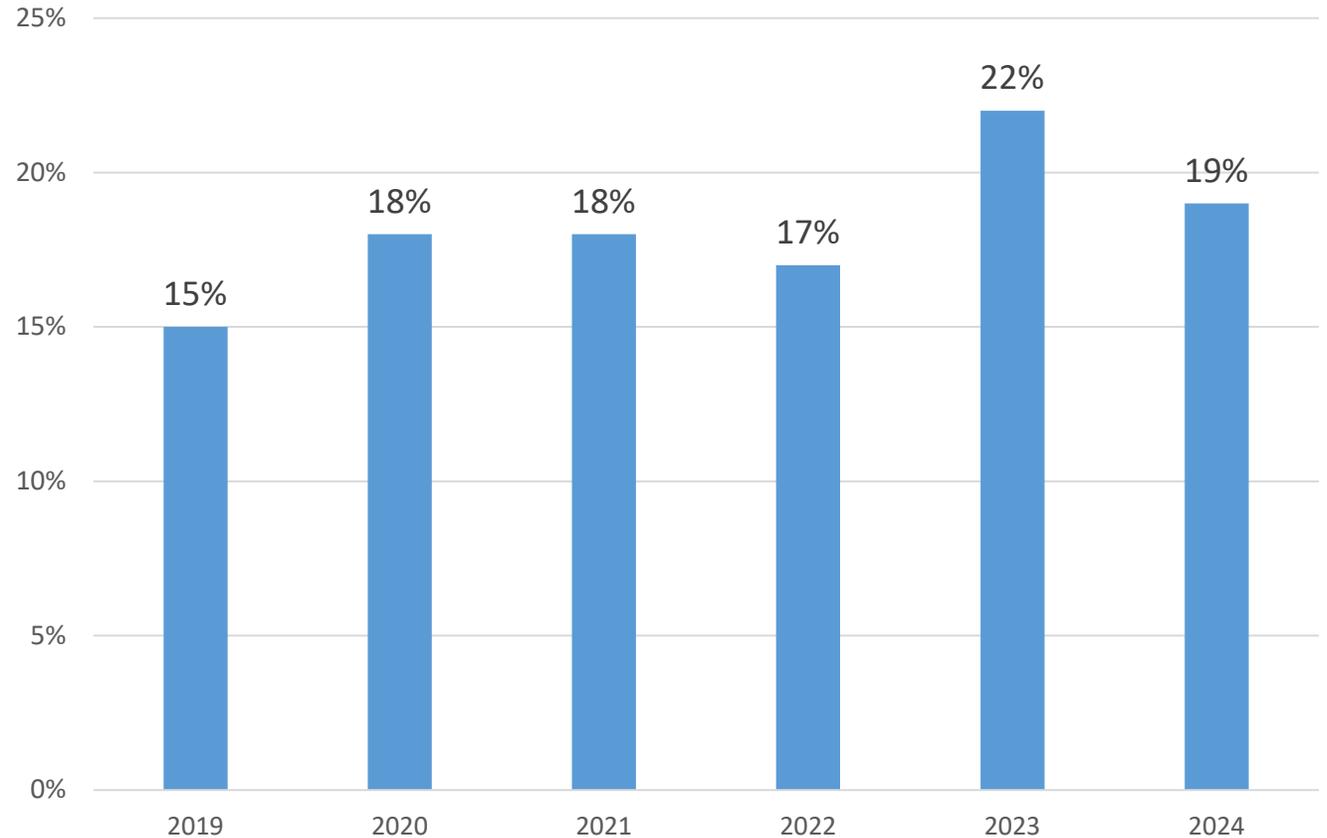

# Successful Exits

People experiencing homelessness are exiting to successful housing situations less frequently than they were in 2019

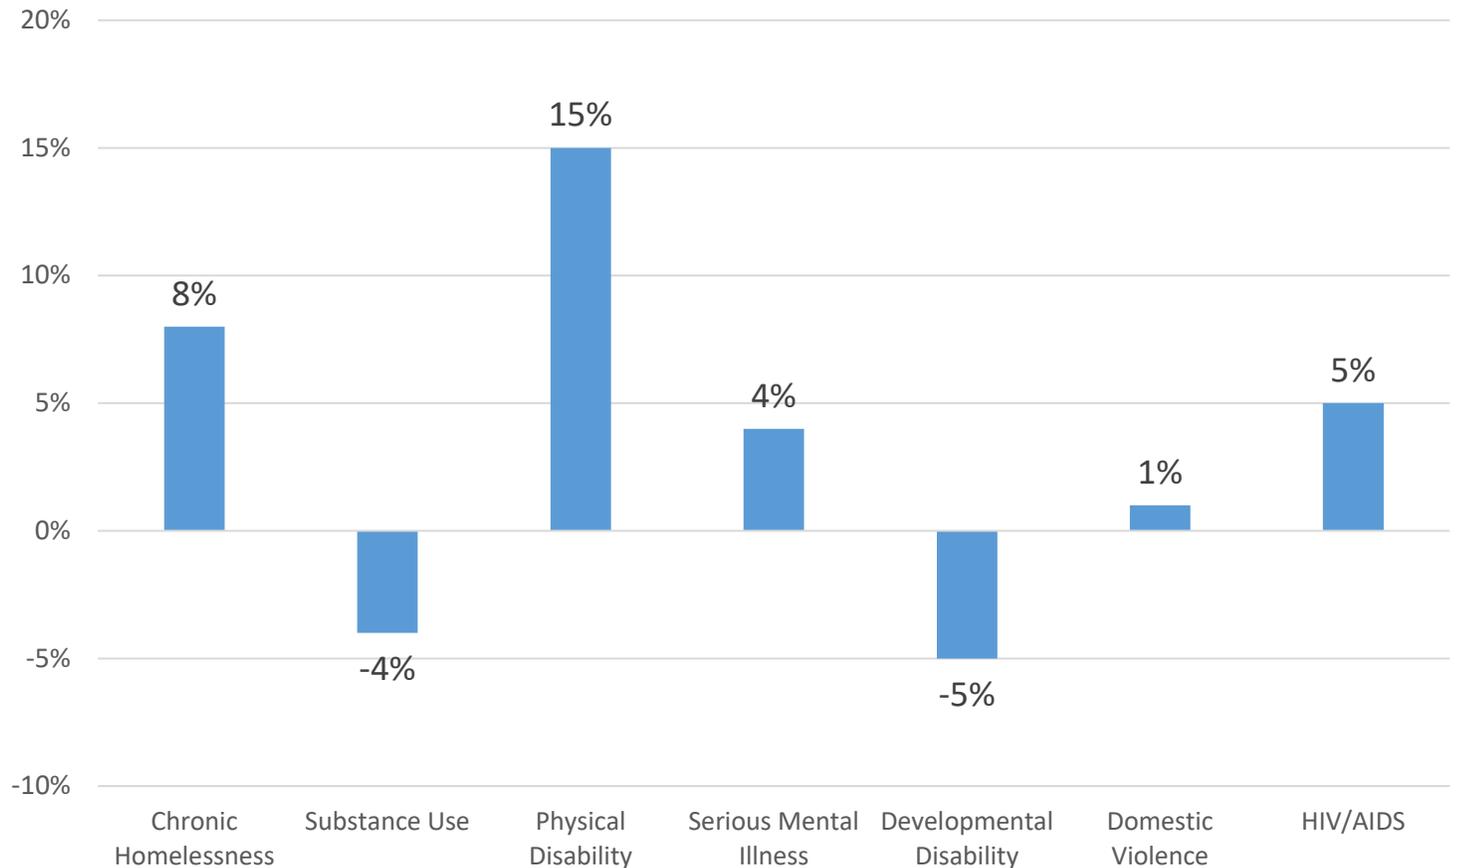

# Returns to Homelessness

While performance for this measure has improved from the previous year, the overall trend is that people are falling back into homelessness after being placed in permanent housing at higher rates than they were in 2019

# Change in Subpopulations & Disabling Conditions

People experiencing homelessness have higher needs than those served in 2019

Data from 2024 Point in Time Count Summary  
Reflects change in populations from 2019 to 2024

# Conclusions

- The population experiencing homelessness has become more vulnerable since 2019, and therefore needs more support in order to find and be placed in permanent housing situations
- More long-term supportive housing is needed to keep people housed

# Published Reports

- Reports are available at [ochmis.org](https://ochmis.org) > Reports > HUD System Performance Reports
- Year-Over-Year Comparison
  - Includes the most comprehensive metric from each measure
  - Reviews data from the 6 most recent submissions
  - Compares data with CoCs nationally and locally
- 2023 – 2024 Submission
  - All data submitted to HUD this year

## FY 2024 and FY 2025 CoC Program NOFO Updates

- The Office of Care Coordination (OCC) has continued reviewing the FY 2024 – 2025 CoC Program NOFO, working with contracted consultants, and discussing as a team to understand what activities are to be included in “Year 2” of the 2-year CoC Program NOFO competition process.
- The OCC shared the following updates with CoC-funded agencies:
  - **Local competition:** CoC-funded agencies will not be required to complete the Agency Administrative Review or Renewal Project Application this year.
  - **Project performance score:** CoC-funded agencies will still receive a project performance score for each Renewal Project from Orange County United Way’s 211OC, as the HMIS Lead, using the CoC Board-approved project performance measures, thresholds, and point allocations from the FY2024 CoC Program NOFO local competition. No changes to the project performance measures will be proposed to impact this year’s Renewal Project performance scores.

# Business Calendar – Item #7

## FY 2024 and FY 2025 CoC Program NOFO Updates

- The OCC shared the following updates with CoC-funded agencies:
  - **CoC NOFO strategies:** The OCC is supporting the CoC Program NOFO Ad Hoc to review current CoC NOFO strategies, such as the reallocation strategy and ranking and tiering strategy, to recommend updates for approval by the CoC Board this year, with the goal of bringing proposed updates to CoC-funded agencies for feedback.
    - The current [reallocation strategy](#) remains in effect for Renewal Projects for the time being. Should updates to the reallocation strategy be made, the OCC will notify CoC-funded agencies.
  - **FY 2025 Priority Listing:** The CoC is required to submit a FY 2025 Priority Listing, inclusive of any new and renewal projects, by the August 29, 2025, deadline. The CoC NOFO Ad Hoc will recommend a proposed ranking and tiering strategy and Priority Listing for CoC Board approval prior to HUD's deadline.

## FY 2024 and FY 2025 CoC Program NOFO Updates

- At this time, there has been no public communication from HUD on the possibility of CoC Bonus or Domestic Violence (DV) Bonus funds for FY 2025.
- On May 21, 2025, the OCC attended a CoC Competition Debrief Webinar and noted some of the following highlights from the Office of Special Needs Assistance Programs (SNAPS):
  - 2025 Grant Inventory Worksheets (GIWs) will be released soon
  - HUD will share more information on the “Year 2” NOFO process which should be released sometime around mid June 2025
  - SNAPS went into more detail on the CoC NOFO Tiering, why it is done, and emphasized that Tier 2 projects compete nationally
  - For unfunded renewal projects, SNAPS encouraged CoCs to work with the local field office and technical assistance to extend grants with remaining funds, closeout grants, and more.
- The OCC has also remained in contact with the HUD Los Angeles Field Office regarding the FY 2024 CoC project grant agreements and anticipates release of the grant agreements in the near future.

## FY 2024 and FY 2025 CoC Program NOFO Updates

- The Orange County CoC has received the FY 2024 and 2025 CoC Application debriefing document. The document *summarizes* the scores HUD awarded to the CoC Application that was submitted during the FY 2024 and 2025 CoC Program Competition.
- At this time, contracted consultant, Urban Initiatives, is conducting a review and analysis of the FY 2024 and 2025 CoC Application and the debriefing document.
- A robust update will be provided at a future CoC Board meeting.

## CoC Strategic Plan Working Session Recap and Next Steps

- On Wednesday, April 30, 2025, consultant Aubrey Sitler of AC Strategies facilitated a working session with the CoC Board, members of the CoC Vision Ad Hoc, and the Office of Care Coordination focused on the actions outlined in the CoC Strategic Plan.
- Additional analysis of the working session is needed to ensure the appropriate next steps are in place before implementation begins in July 2025, including:
  - ❖ Which entity will be the “Owner” of each Strategy and Action
  - ❖ Which parts of the CoC Strategic Plan may need to be strategically abandoned
  - ❖ Timelines for completion and metrics for success

## OC Outreach and Engagement Update

- The County Executive Office and the OC Health Care Agency has announced the transition of OC Outreach and Engagement (OC O&E) to the Office of Care Coordination (OCC), effective July 1, 2025.
- This transition will consolidate homeless services under a unified command for operational efficiency to better address unsheltered homelessness while building upon OC O&E's experience and expertise to enhance partnerships with cities and stakeholders.
- On April 22, 2025, the Board of Supervisors (Board) approved the FY2024-25 April Budget Update which included two recommended actions approving the reorganization of OC O&E in accordance with County Administrative Procedure 0112-04 for Organizational Changes.
- In preparation for the transition, the OCC is facilitating recruitment for additional positions within the team.

OC O&E remains committed to ensuring this transition is seamless with minimal disruptions to services or engagement with all community partners.

## 2025 Homelessness Data Dashboards

- On May 20, 2025, the NAEH unveiled a set of [interactive data dashboards](#) developed by its Homelessness Research Institute. These tools use the most recent federal data to help states and communities better understand local homelessness trends and the people affected in their areas.
- The dashboards feature key metrics such as Point-In-Time (PIT) Counts and Homeless Assistance data, broken down by State and CoC, offering a clearer picture of how resources are being used and where gaps may exist.
- To provide broader context, the dashboards highlight long-term trends from 2015 to 2024, capturing a nearly decade-long span that includes the profound impacts of the COVID-19 pandemic. This allows users to quickly see where progress has occurred and where challenges remain.
- For a more current perspective, the NAEH also presents year-over-year comparisons between 2023 and 2024, helping stakeholders assess recent shifts and emerging needs.

## CoC Initiative Procurement Updates

### Fiscal and Resource Mapping for the Orange County CoC

- At the December 20, 2023, meeting, the CoC Board approved the implementation of the Rehousing and Coordinated Investment Planning Tool – Capital (RCIPT-C) to support the Orange County CoC’s strategic planning for current and future investment of resources.
- March 2024 – May 2024: Outreach to different technical assistance providers/consultants
  - ❖ Learned that HUD is no longer updating RCIPT-C
- May 2024 – October 2024: Identified potential consultant, pivoted from use of specific tool
  - ❖ Updated CoC Board officers during planning meetings
  - ❖ Exploring connection to current CoC Vision work
  - ❖ Contracting process, involved CoC Board Officers and AC Strategies to bridge CoC Vision work
  - ❖ Through the process, identified that the proposed scope of work from consultant was not what the CoC Board was looking for

## CoC Initiative Procurement Updates

### Fiscal and Resource Mapping for the Orange County CoC (cont.)

- December 2025 – May 2025
  - ❖ Engaged a different consultant
  - ❖ Consultant is proposing a four-phased approach to begin in August 2025 – October 2026, inclusive of establishing an ad hoc to guide and support implementation, exploring other tools that may be used to inform the final deliverable, and creating a final fiscal and resource mapping report, inclusive of proposed plan for sharing results.
  - ❖ Provided update to the CoC Board Officers on proposed scope of work in May 2025.
  - ❖ The contract is in process and will go to the Orange County Board of Supervisors for approval.

## CoC Initiative Procurement Updates

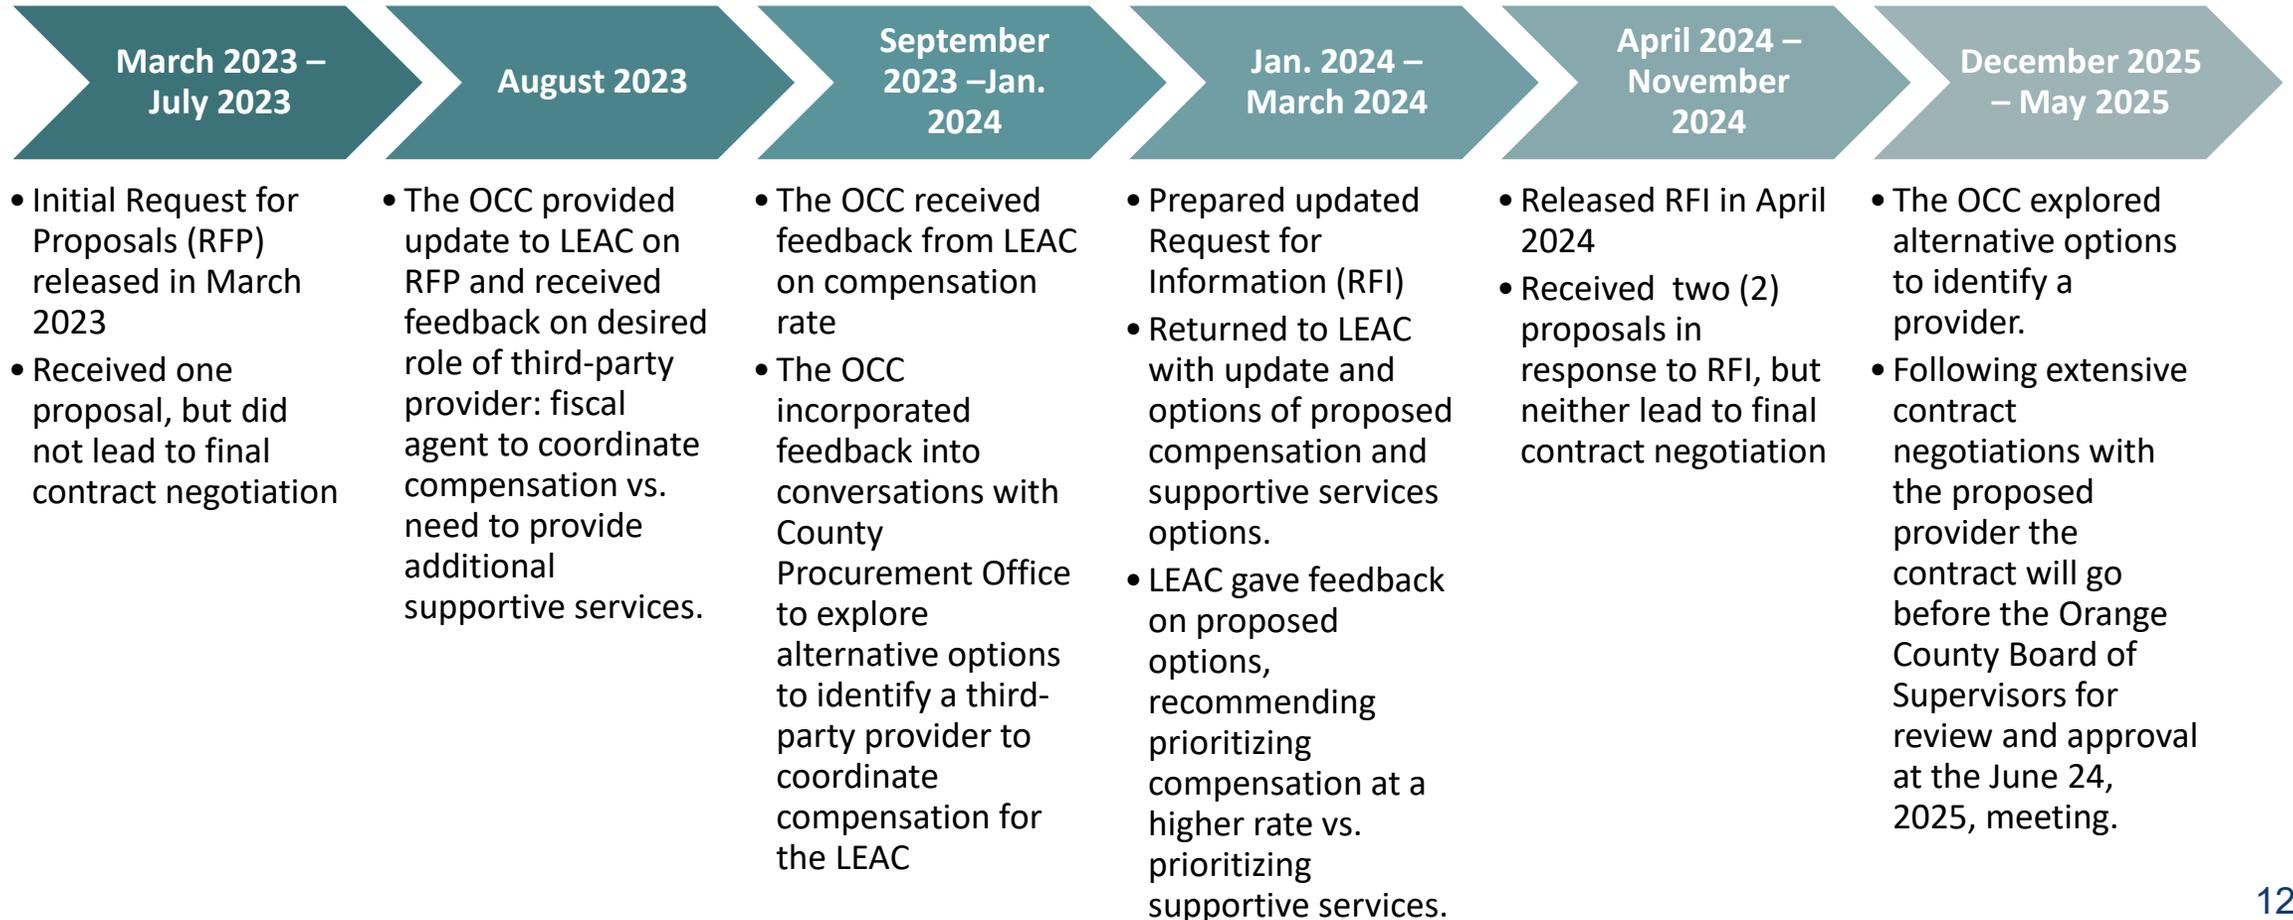

### Compensation for People with Lived Experience

- The County of Orange, as a local government entity, is limited in the compensation methods that can be offered for people with lived expertise partnering with the OCC through the CoC Board, Lived Experience Advisory Committee (LEAC) and other County and CoC initiatives.
- Identifying a third-party provider to coordinate compensation has been a continued priority for the OCC team.

## Trump Administration's Proposed Budget

- On May 2, 2025, the Office of Management and Budget (OMB) released a [memo](#) that included the Trump Administration's FY 2026 "Skinny Budget" proposal.
- FY 2026 "Skinny Budget" Proposal – Key Housing & Community Development Impacts
  - ❖ Elimination of CDBG: The Community Development Block Grant (CDBG) program, a flexible federal funding source for community revitalization, is proposed for elimination.
  - ❖ Consolidation of Housing Programs: The Continuum of Care (CoC) and Housing Opportunities for Persons with AIDS (HOPWA) programs are proposed to be consolidated into the Emergency Solutions Grant (ESG) program, which would provide short- and medium-term housing assistance (up to two years) to homeless and at-risk individuals.
  - ❖ Potential Funding Reductions: The proposed changes could result in a \$532 million reduction in funding for Homeless Assistance Grants and HOPWA programs.
- While the budget is a political proposal and not legally binding, the proposed funding cuts raise significant concerns.
- The OCC will continue to monitor developments closely and provide pertinent updates as more information becomes available.

# HMIS Lead Updates

- The Data team has been working with 47 agencies and 200+ projects to finalize their data for the 2025 Housing Inventory County (HIC) and Sheltered Point in Time Count (PIT). These reports are required by HUD to be completed on an annual basis, and are due to HUD on June 13<sup>th</sup>.
- 2025 Agency Audits will begin in June and will continue through the end of the year. These audits are conducted with each agency participating in HMIS, as well as DV agencies that receive CoC or ESG funding. Audits review compliance with the HMIS Policies and Procedures, and are also an opportunity for agencies to review data and receive one-on-one support. DV agencies are also reviewed for compliance with the HUD Data Standards and reporting requirements.

# Project Performance Reports Published

- These reports include all projects that participate in HMIS, as well as projects at DV agencies that are CoC or ESG funded. The reports highlight different measures that HUD and the CoC have determined are important in effectively ending homelessness for the clients in Orange County.

# Data Quality Report Card Published

- Data Quality Report Cards include all projects that participate in HMIS, as well as projects at DV agencies that are CoC or ESG funded. These report cards analyze data completeness and data accuracy for HUD-required Universal Data Elements, and data timeliness for entries, exits, and services at the agency and project-level.
- Reporting Period: 1/1/25 – 3/31/25
