REGIONALLY COORDINATED HOMELESSNESS ACTION PLAN

HOMELESS HOUSING, ASSISTANCE AND PREVENTION PROGRAM ROUND 5 (HHAP-5)

Santa Ana, Anaheim/Orange County CoC Region

Participating Jurisdictions' Roles and Responsibilities

Steps to Complete this section:

1.   Identify and describe the specific roles and responsibilities of each participating Eligible Applicant in the region regarding:
   o   Outreach and site coordination;
   o   Siting and use of available land;
   o   Development of interim and permanent housing options; and
   o   Coordination and connection to the delivery of services for individuals experiencing or at risk of experiencing homelessness within the region.

2.   Describe and explain how all Participating Jurisdictions are coordinating in each area.

Optional: You may also include roles and responsibilities of small jurisdictions in the region that elect to

engage and collaborate on the plan.

Guidance:

*Each Eligible Applicant must identify and describe their role in the region for **each** table.*

To add additional jurisdictions, click "Add a Participating Jurisdiction" near the bottom of each table.

Outreach & Site Coordination

Participating Jurisdictions	Roles & Responsibilities
City of Anaheim	Will fund and expand partnerships to bring relevant outreach services to the community.
City of Irvine	Will provide street outreach and connection to services via a collaboration with Housing for Health OC (HHOC). Will provide street outreach and connection to services via care coordination and ombudsman services by City of Irvine Health and Wellness staff. Will collaborate with Be Well (Mental Health Outreach) for connection to services for individuals experiencing or at risk of experiencing homelessness.
City of Santa Ana	Will provide outreach and engagement services to homeless neighbors in Santa Ana. Will exit homeless neighbors from the streets of Santa Ana, with persons linked to shelter and housing.
County of Orange	Will continue to fund regional care coordination services, which provides targeted street outreach and engagement strategies for individuals experiencing unsheltered homelessness. Will continue to partner with specialized outreach teams, including the County of Orange's Health Care Agency, Outreach & Engagement, Be Well OC, and law enforcement, to have a comprehensive response to unsheltered homelessness. Will continue to facilitate discussions on how to best improve coordination amongst the County of Orange, cities and community-based organizations to strengthen regional capacity and collaboration in the delivery of services.
Orange County CoC	Will invest and expand outreach and coordination services for people experiencing unsheltered homelessness with the goal of connecting them to emergency shelter, housing, and/or other supportive services. Will coordinate efforts with outreach providers to incorporate evidenced-based practices and develop strategies to connect individuals experiencing homelessness to available shelter and housing resources in a timely manner.

Given the individual roles and responsibilities identified above, describe and explain how all participating jurisdictions are or will begin to coordinate these efforts to ensure comprehensive outreach and site coordination to individuals experiencing and at-risk of experiencing homelessness in the region.

Regional Coordination Narrative - Outreach & Site Coordination
Participating jurisdictions will create and implement a Regionally Coordinated Homeless Action Plan and

be signatory to the Regionally Coordinated Homeless Action Plan approved by the Council. This plan will lay out a strategic approach to address homelessness within the region as well as emphasize collaborative efforts among the participating jurisdictions. Additionally, a Memorandum of Understanding (MOU) will be signed by each participating jurisdiction committing each signatory to participation in, and to comply with, the Regionally Coordinated Homelessness Action Plan. The City of Anaheim will continue to fund the various relevant outreach efforts in the city to ensure resources are available to serve the multitude of needs of unsheltered people. This includes outreach tied to mainstream and housing services; mental, physical, and behavioral health services; and street medicine. The City of Santa Ana will continue to coordinate efforts by providing engagement services to locate, identify and build rapport with unsheltered homeless individuals to offer immediate support and connections to resources as well as Case Management services to assess housing and service needs. The City of Irvine will continue to collaborate with street outreach and other service providers to connect individuals experiencing homelessness to services. The County of Orange and the Orange County CoC will continue to fund outreach efforts that span the region, supporting coordination and communication efforts between outreach teams, service providers and other participating jurisdictions. Additionally, the County of Orange will continue to facilitate discussions on how to best improve coordination amongst the County of Orange, cities and community-based organizations to strengthen regional capacity and collaboration in the delivery of services. The Orange County CoC will coordinate efforts with outreach providers to incorporate evidenced-based practices and develop strategies to connect individuals experiencing homelessness to available shelter and housing resources in a timely manner.

Land Use & Development

Participating Jurisdictions	Roles & Responsibilities
City of Anaheim	Identify available areas and projects for development opportunities; build partnerships with third party developers that streamline or improve development projects and timelines.
City of Irvine	Will acquire land within the City limits for development of a 50-bed bridge housing facility.
City of Santa Ana	Will assess available land in the city to determine how this land can be used to provide transitional /permanent housing to those who are housing insecure or literally homeless.
County of Orange	Will continue to identify available land and support development opportunities with the County jurisdiction. Will continue to support the County's Housing Funding Strategy, which prioritizes the development of permanent supportive housing and affordable housing for people experiencing homelessness. Will continue to make notice of funding opportunities available to promote the acquisition, new construction, and acquisition/rehabilitation of permanent supportive housing for extremely low-income households who are experiencing homelessness.
Orange County CoC	The Orange County CoC has no direct role or responsibility as it relates to land use and development. However, the Orange County CoC will continue to work collaboratively with the County of Orange, the Cities of Anaheim, Irvine, and Santa Ana to support them in fulfilling their land use and development roles and responsibilities. Additionally, the Orange County CoC will work with the participating jurisdictions and the and Public Housing Authorities (PHAs) to prioritize housing resources and

| | new affordable housing projects for those with the highest needs through the Coordinated Entry System (CES). |

Given the individual roles and responsibilities identified above, describe and explain how all participating jurisdictions are or will begin to coordinate these efforts to use and develop available land to address and end homelessness in the region.

Regional Coordination Narrative - Land Use & Development
The cities of Anaheim and Santa Ana will continue to identify, acquire, and develop available land and structures in the city including prioritizing opportunities to dedicate units to households experiencing or exiting homelessness. The City of Anaheim will partner with development partners to identify opportunities to streamline and improve the delivery of development projects including expedited timelines, explore adaptive reuse of structures, and applicable processes associated with such changes. By developing a bridge housing facility, the City of Irvine will be providing a much-needed interim housing solution for the South Service Planning Area (SPA). The County of Orange (County) will continue to identify available land and support development opportunities with the County jurisdiction. The County will continue to support the Housing Funding Strategy that was adopted with a goal of increasing the development of permanent supportive housing, working closely with Housing and Community Development and the local Public Housing Authorities to ensure alignment with larger goals for the region. The County will continue to make notice of funding opportunities available to promote the acquisition, new construction, and acquisition/rehabilitation of permanent supportive housing for extremely low-income households experiencing homelessness. Although the Orange County CoC has no direct role or responsibility as it relates to land use and development, collaboration will continue with the County of Orange and the Cities of Anaheim, Irvine, and Santa Ana to support them in fulfilling their land use and development roles and responsibilities. The Orange County CoC will work with the participating jurisdictions and Public Housing Authorities to further support a coordinated approach to leverage and increase housing resources throughout the region and prioritize resource access through CES.

Development of Interim and Permanent Housing Options

Participating Jurisdictions	Roles & Responsibilities
City of Anaheim	Prioritize homeless set aside units within affordable developments in the city; prioritize housing set aside vouchers within programs operated by the Anaheim Housing Authority; increase focus on securing available grant funding for interim and permanent housing options.
City of Irvine	Will acquire land within the City limits for development of a 50-bed bridge housing facility.
City of Santa Ana	Will continue to work closely with agencies that currently provide Interim and Permanent Housing options to the homeless i.e. Santa Ana Housing Authority and Housing Division who provide Vouchers for both tenant-based and project-based opportunities.
County of Orange	Will continue to invest in services for people experiencing or at-risk of experiencing homelessness that provide interim and permanent housing options. Will continue to collaborate with cities to jointly-fund interim housing solutions that provide beds to individuals experiencing homelessness in Orange County and

	identify additional opportunities for the development of interim housing options. Will continue to collaborate with the Housing and Community Development, Orange County Housing Authority, cities, developers, and other stakeholders to increase permanent housing options. Will coordinate with other County Departments to pursue available funding opportunities to increase interim and permanent housing options.
Orange County CoC	Will continue to work collaboratively with the County of Orange, the Cities of Anaheim, Irvine, and Santa Ana to support them in the development of interim and permanent housing options. Will continue to invest in services for people experiencing an at-risk of experiencing homelessness that provide interim and permanent housing options, including operating subsidies for emergency shelters and rapid rehousing for individuals, families and transitional aged youth. Will coordinate with the County of Orange, cities, nonprofit organizations, and stakeholders to pursue available funding opportunities to increase interim and permanent housing options.

Given the individual roles and responsibilities identified above, describe and explain how all participating jurisdictions are or will begin to coordinate these efforts to develop adequate interim and permanent housing options to address and end homelessness in the region.

Regional Coordination Narrative - Shelter, Interim, and PH Options
The City of Anaheim will prioritize increasing access to permanent affordable and supportive housing in the community including incorporation of funding that would bolster development either through entitlement allocations or grant opportunities that arise. The City of Anaheim will also work with the Anaheim Housing Authority to refer and increase the number of people referred to available homeless set aside vouchers including access to stabilizing case management services once clients are housed. The City of Anaheim continues to pursue all available dollars to increase interim housing options including bolstering operations of existing shelter and incorporation of more non-congregate, transitional, and bridge housing options. The City of Santa Ana will prioritize access to permanent affordable and supportive housing in the community through a variety of funding options. The City of Santa Ana will also work with the Santa Ana Housing Authority to refer and increase the number of people referred to available homeless set aside vouchers including access to stabilizing case management services once clients are housed. The City of Santa Ana will continue to pursue all available funds to increase various housing options. By developing a bridge housing facility, the City of Irvine will be providing a much-needed interim housing solutions for the South SPA. The County of Orange (County) will continue to collaborate with cities to jointly-fund interim housing solutions and identify additional opportunities for the development of interim housing options, including congregate and non-congregate shelter programs and navigation centers throughout the region. The County will continue to collaborate with Housing and Community Development, Orange County Housing Authority, cities, developers, and other stakeholders to increase permanent housing options. The County will continue to invest in and prioritize services that provide permanent housing solutions and coordinate with County Departments to pursue available funding to increase permanent housing options throughout the region. The Orange County CoC will continue to work collaboratively with and support the County, and Cities of Anaheim, Irvine and Santa Ana in the development of interim and permanent housing options. Additionally, the Orange County CoC will coordinate with the County, nonprofit organizations, and stakeholders to pursue available funding opportunities to increase interim and permanent housing solutions.

Coordination of & Connection to Service Delivery

Participating Jurisdictions	Roles & Responsibilities
City of Anaheim	Improve and expand on network of homeless services in the city including evaluating gaps in services and barriers to engagement in existing services; foster partnerships with other mainstream systems to increase availability of services available to people experiencing homelessness.
City of Irvine	Will provide street outreach and connection to services via staff members and a collaboration with Housing for Health OC (HHOC) that will include housing navigation, housing deposits, housing sustainability and tenancy services.
City of Santa Ana	Will continue to work with Service Providers that deliver housing navigation services and resources to those who are housing insecure. In addition, will evaluate service gaps and barriers to existing services to better assist those experiencing or at-risk of homelessness.
County of Orange	Will continue to invest in services for people experiencing or at-risk of experiencing homelessness, including regional street outreach and engagement coordination, homelessness diversion and prevention strategies and programming, interim and permanent housing solutions. Will continue to work with qualified Service Providers for service delivery and look to evaluate and address gaps in services. Will work with the Orange County CoC, the cities, nonprofit organizations, and stakeholders to improve the coordination of and connection to service delivery by County departments and the Homeless Service System.
Orange County CoC	Will continue to strengthen collaboration with Service Providers and stakeholders, including those with lived experience, transitional aged youth, and veterans. Will continue to emphasize the utilization of the Homeless Management Information System (HMIS) and the expansion of the Coordinated Entry System (CES) to support coordination practices that improve the delivery of services. Will facilitate discussions on the coordination of and connection to service delivery leveraging the existing CoC Committee structure to ensure a CoC wide approach and/or effort that improves the delivery of services for people experiencing or at-risk of experiencing homelessness.

Given the individual roles and responsibilities identified above, describe how all participating jurisdictions are or will begin to coordinate to provide the full array of services, shelter, and permanent housing solutions to people experiencing and at-risk of experiencing homelessness in the region.

Regional Coordination Narrative - Coordination & Connection to Service Delivery
Through systems support, participating jurisdictions will be able to support activities necessary to create regional partnerships that are essential to coordination and to maintaining a homeless services and housing delivery system for vulnerable populations. The Cities of Anaheim, Irvine and Santa Ana will continue to engage in listening sessions and facilitate feedback opportunities with people with lived experience of homelessness to invest in and increase person-centered services that would best help serve and house people experiencing homelessness. The Orange County CoC will continue to engage those

with lived experience of homelessness, transitional aged youth, veterans, and other stakeholders and service providers to strengthen collaboration within the CoC. There will be a continued emphasis on the utilization of HMIS and CES to support and strengthen coordination efforts in the delivery of interim and permanent housing solutions throughout the region. The Orange County CoC will continue to facilitate discussions on the coordination of and connection to service delivery leveraging the existing CoC Committee structure to ensure an approach and/or effort that covers the CoC and improves the delivery of services for peopled experiencing homelessness. The County of Orange will continue to support regional care coordination efforts and invest in service providers for service delivery of interim and permanent housing solutions. The County of Orange will work to evaluate and address gaps in services and will work with the Orange County CoC, the cities, nonprofit organizations, and stakeholders to improve the coordination of and connection to service delivery by County departments and the Homeless Service System. Additionally, the cities will invest in and foster partnerships with other service systems to ensure holistic programming is available to help house and stabilize individuals seeking services.

System Performance Measures & Improvement Plan

Steps to complete this section:

1. Identify the most recent system performance measures for the region.
2. Describe the key action(s) the region intends to take to improve each system performance measure.

Guidance:

Cal ICH shall provide each region with system performance measures by CoC, with the exception of the LA region, which will receive data from all four CoCs within LA County. Applicants must enter that data in the corresponding measures fields in the application. Applicants should not adjust the data provided even if the geographic region of the data does not perfectly align with the participating applicant geography of this application.

*The application must include **at least one** key action for **each** system performance measure. All columns must be filled out for each action.*

For "Funding Type" select one of the options. If you select the blank field, you may type in a unique funding source type.

To add additional actions or racial equity measures, click the appropriate "Add" buttons near the bottom of each table.

Note: While Cal ICH expects most of the disparities listed to be based on race or ethnicity, applicants may identify other populations that are also overrepresented among people experiencing homelessness in the region.

Definitions:

- ***Key Actions** may include a brief description of a strategic initiative or step identified to address or improve the specific system performance measure. This can be a policy, program, partnership,*

target measure, or any other approach which reflects an improvement and delivers positive impact. Provide a clear description of the action and its intended outcome.

- *Lead Entity* *should include the name of the regional Eligible Applicant responsible for managing the key action.*

- *Collaborating Entity/ies* *may include a group, organization, or jurisdiction within your region working to address or improve the system performance measure. This can be another participating jurisdiction, a system partner, or any organization actively participating in the key action.*

- *Timeframe* *should include a target date for completion of the key action.*

- *Success Measurement Methods* *may include a systematic approach or tool used to assess the effectiveness and impact of the key action on the system performance measure. This can be quantitative measures, qualitative feedback, or any combination that provides insight into the progress and outcomes pertaining to the key action. Provide a clear description of how you plan to track and report on the success of your key action.*

Equity Improvement Plan

Steps to Complete this Section:

1. Identify and describe the key actions the region will take to ensure racial and gender equity in:

   o   Service delivery;

   o   Housing placements;

   o   Housing retention; and

   o   Identify any changes to procurement or other means to affirm equitable access to housing and services for groups overrepresented among residents experiencing homelessness.

2. Identify if place-based encampment resolution is occurring in the region and if so, the CoC must describe and provide evidence of collaboration with the cities or counties providing encampment resolution services that addresses how people served through encampment resolution have or will be prioritized for permanent housing within the Coordinated Entry System.

Optional: upload any evidence the region would like to provide regarding collaboration and/or prioritization as it relates to question 2.

Guidance:

Of the four tables below, the first three must include at a minimum one key action to address racial equity and one key action to address gender equity. The fourth and final table must include at least one key action.

To add additional actions, click "Add an Action" at the bottom of the table.

Definitions:

- ***Key Actions*** *may include a brief description of a strategic initiative or step identified to address or improve the inequity. This can be a policy, program, partnership, target metric, or any other approach which reflects an improvement and delivers positive impact. Provide a clear description of the action and its intended outcome.*
- ***Lead Entity*** *should include the name of the regional Eligible Applicant responsible for managing the key action.*
- ***Collaborating Entity/ies*** *may include a group, organization, or jurisdiction within your region working to address or improve the inequity. This can be another participating jurisdiction, a system partner, or any organization actively participating in the key action.*

Is place-based encampment resolution occuring within the region?
Yes

The CoC must describe and provide evidence of collaboration with the cities or counties providing encampment resolution services that addresses how people served through encampment resolution have or will be prioritized for permanent housing within the Coordinated Entry System.

Narrative for place-based encampment resolution
As a recipient of Encampment Resolution Funding (ERF), the County of Orange has worked collaboratively across County departments, cities, and community-based organizations to provide encampment resolution services. The Orange County Office of Care Coordination has worked with Orange County (OC) Parks, and the County's Health Care Agency Outreach and Engagement team in conjunction with a regionally based contracted provider, People Assisting the Homeless (PATH). Through the County's ERF-funded Regional Care Coordination (RCC) program, PATH conducted extensive outreach at Talbert Regional Park with encampment residents with an emphasis on linking them to alternative temporary and permanent housing opportunities. Talbert Regional Park is part of the OC Parks system and located in the City of Costa Mesa. With the support of the Office of Care Coordination, PATH worked closely with OC Parks to

gain access to sensitive areas of the park where the encampment was located. As a requirement of the RCC program, encampment residents were enrolled into the County's Coordinated Entry System (CES), with the objective of enrolling encampment residents within 30 days of engagement in the program. A majority of encampment residents are high acuity individuals experiencing chronic homelessness, often with co-occurring disorders and enrollment in CES can give them prioritized access to opportunities. The City of Anaheim is a recently eligible ERF-3R awardee with plans to enact encampment resolution activities at La Palma Park and State Route 91 near the Lemon Street exits. The City of Anaheim and Orange County Continuum of Care, the CES lead agency, have begun discussions around prioritization of displaced individuals in CES as a result of ERF activity and will continue to hold discussions leading up to the start of Anaheim launching its ERF program. Anaheim expects to receive ERF funding in Summer 2024.

Plan to Utilize Local, State, and Federal Funds to End Homelessness

Steps to Complete this Section:

1. The plan must include the total amount of available funding, the amount prioritized for permanent housing solutions, and an explanation of how **each participating applicant** is utilizing local, state, and federal funding programs to end homelessness. These programs must include, but are not limited to:

   o   The Homekey Program,

   o   The No Place Like Home Program

   o   The Multifamily Housing Program

   o   The Housing for a Healthy California Program

   o   The Homeless Housing, Assistance, and Prevention Program

   o   Building Homes and Jobs Act

   o   The California Emergency Solutions Grants Program

   o   The National Housing Trust Fund established pursuant to the Housing and Economic Recovery Act of 2008

- o HOME Investment Partnerships Act
- o Parolee or probation programs that are intended to prevent homelessness upon release.

Guidance:

All *of the above programs* ***must*** *be included and fully explained in the table. Where the region has multiple awards for the same program that are administered by different entities, those may be listed on separate lines. For example, in a region with one county and one CoC who receive their HHAP awards separately, each Eligible Applicant may enter their HHAP awards in separate lines. Simply click "Add Funding Program, then select the program from the drop down list.*

If one of the ten required programs is not present in a region, type N/A under Local Fund Administrator.

In addition to the listed programs, participating Eligible Applicants should add any other funds and programs that are being utilized to address and end homelessness in the region. Simply click "Add Funding Program" then select the blank field and you may type in the name of the funding program.

To add additional funding programs, click "Add Funding Program" at the bottom of the table.

Definitions:

1. ***Local Fund Administrator****: The entity responsible for administering the given funding source.*
2. ***Description of How Funds are/will be Utilized to End Homelessness in the Region:*** *Comprehensive summary of how the funding program will be utilized in the region. Applicants should highlight whether, how, and to what extent the funds are being used for permanent housing.*
3. ***Funding Amount:*** *Amount of known dollars secured or available to spend within the HHAP-5 grant timeframe (FY 23-24 through FY 27-28)*
4. ***Timeframe of Use:*** *The date range the local fund administrator anticipates expending the identified program funds.*
