6. What qualities, skills, and experience do you bring that would help the CoC Board to further its work in ending homelessness and furthering effectiveness and collaboration within the work of the Orange County CoC? *

I was part of the group which founded the CoC in Orange County in the early 90's and I've served on the Board since 2020, including two stints as Chair. I'm the former Executive Director of the Orange County Homeless Issues Task Force and I currently serve on the United to End Homelessness Leadership Council. I started my career in direct homeless services in the early 90's as Director of Serving people in Need (SPIN). In addition to these professional roles and chairing the CoC Board twice, my work in housing and homelessness has included developing the Housing Champions Advocacy Network countywide, citizen-led housing advocacy program, and helping dozens of housing organizations with technical assistance and strategic planning through my consulting company, Tim Shaw & Associates, including as the capacity building consultant for the North Orange County Public Safety Collaborative. As Chair of the CoC, I'm most proud of spearheading the development of the Lived Experience Advisory Committee, initiating the racial equity assessment of the homeless response system in OC, and initiating the CoC Board's first ever strategic planning process. I'm proud of how these efforts have led to a more diverse and representative Board and informed our funding and policy decisions.

7. While having a conflict of interest does not make you ineligible to serve on the CoC Board, it helps CoC staff for record keeping purposes. Do you have any current conflicts of interest or previous ties to any agency that is a recipient or sub-recipient of CoC funding in the Orange County CoC?

Examples of conflicts might include: Current or former staff, Board member, volunteer or client/participant at a CoC-funded agency, etc.
