Community Project Funding Request

## Newport Beach Harbor Patrol Boat Procurement

The Orange County Sheriff-Coroner's patrol boats are outdated, which hampers emergency response. By replacing two aging vessels with new patrol boats, the Harbor Patrol can more effectively respond to emergencies and conduct search-and-rescue missions in the harbor and coastal waters. The boats will provide safe and functional vehicles for Harbor Patrol personnel, ensuring they can effectively serve the community. As Newport Beach Harbor continues to expand as a hub for tourism, recreation, and commerce, the Harbor Patrol needs additional resources to support the increased maritime activity.

### Project Status: SHOVEL-READY

If awarded, CPF funds would be used to purchase two new patrol boats.

### PROJECT OVERVIEW

#### Lead Agency & Program

Department of Justice, COPS Law Enforcement Technology and Equipment

#### Budget

\$1 M  
Total Cost

\$1 M

CPF Request

#### Key Benefits

- Enhance public safety, security, and operational efficiency in one of Southern California's busiest harbors
- Ensure the Harbor Patrol can effectively respond to emergencies and conduct search and rescue missions in the harbor and coastal waters

#### Location

Newport Beach, CA
