RE: Request for Support for Community Project Funding – County of Orange Crime Lab Network Infrastructure Migration Project

Dear Senator Padilla, Senator Schiff, Representatives Correa, Kim, Sánchez, Levin, Min, and Tran:

On behalf of the Orange County Board of Supervisors, I write to request your support for the County of Orange's Community Project funding request of \$2 million for the Orange County Sheriff-Coroner's Department Crime Lab Network Infrastructure Migration project.

The Orange County Crime Lab is a comprehensive forensic facility that provides mission-critical toxicology, DNA, ballistics, and narcotics analysis to law enforcement. By investing in modern technologies, this initiative will significantly enhance public safety operations across the County. Improvements in the digital infrastructure for crime forensics will translate to faster emergency response times and better operational efficiency.

Thank you in advance for your consideration.

Sincerely,

Doug Chaffee
