BRIDGES AT KRAEMER PLACE

IMPLEMENTATION REPORT

JULY 2026

Bridges Program Startup

PATH, in collaboration with Mercy House and the County, focused on program ramp-up and handovers during May and June with PATH assuming full shelter operations on July 1st, 2026. PATH's startup phase focused on recruitment, enabling us to onboard and train the majority of the staff team before July. PATH also developed Bridges shelter policies and procedures consistent with County shelter standards of care and our other Orange County site, Yale Navigation Center. PATH staff were onsite prior to July 1st to support and ensure a smooth transfer and PATH leadership attended all of the Bridges guest town halls during the startup phase. PATH would like to extend a heartfelt thank-you to the Mercy House staff and the County team for their support and guidance throughout the transition.

PATH Onsite Services and Programming

During July, PATH's focus has been to ensure seamless supportive services onsite, including three meals daily, laundry, transportation, security and janitorial services, and assigning all Bridges guests to their new case manager.

PATH is delighted to be partnering with local FQHC clinic, Family Health Matters, to bring medical, vision, and dental services onsite to Bridges guests. PATH is also ramping up CalAIM services to provide continuity of care to Bridges guests in need of Community Supports and Enhanced Care Management.

PATH's Community Affairs staff are connecting to bring volunteers and donations onsite, we have a program of activities to support onsite operations and ad hoc events focusing on housing, health and wellbeing. A monthly calendar and kitchen menu is posted onsite.

One example of our onsite event offerings has already taken place! On July 6th, we hosted an onsite Fourth of July celebration that was attended by the majority of shelter guests. Guests enjoyed a barbecue meal in a welcoming, supportive environment to foster community engagement and connection. The event provided guests with an opportunity to celebrate holiday together, and strengthen relationships with peers and staff.

First Month's Outcomes

Since assuming operations on 7/1/2026, PATH increased occupancy from 95% (6/30/2026) to 98% (at time of writing report 7/14/2026). PATH welcomed six new guest intakes bringing the total bed count up to 196 on 7/14/2026.

In addition to increasing shelter occupancy within the first two weeks of operation, PATH is also happy to report one successful exit to a permanent housing placement!

PATH will prepare full quarterly report, covering July 2026 through September 2026, to October's BCAB meeting.
