# FY2026 CoC Program NOFO Overview

## FY 2026 CoC and YHDP NOFO: HUD's Goals and Objectives

1. **Improving Outcomes.** CoCs should review all projects eligible for renewal under the NOFO to determine their effectiveness in reducing homelessness and increasing self-sufficiency. CoCs should prioritize projects that promote self-sufficiency, increase employment income over government assistance, and promote treatment and recovery.
2. **Creating Competition to Improve Innovation and Accountability.** Consistent with the FY26 appropriation bill, HUD is setting Tier 1 at 60% and competing 40% of CoC ARD on the basis of merit between geographic areas.
3. **Restoring Balance to the Continuum of Care.** HUD intends to restore the "continuum" to the CoC Program to help able-bodied people move to self-sufficiency. To the extent permitted by law, HUD is shifting its focus from awarding nearly 90% of CoC funding to Permanent Housing to expand opportunities for other components of the CoC Program.
4. **Prioritizing Treatment and Recovery as a Means to Self-Sufficiency.** The NOFO provides communities opportunities to invest in treatment services and recovery housing, and ensures that recipients do not distribute drug paraphernalia or knowingly permit the use and distribution of fatal, illicit drugs on their properties. HUD encourages CoCs to utilize the full array of mainstream programs and local and private resources to provide housing and healthcare needed to maintain safe and stable housing.

# FY2026 CoC Program NOFO Overview

## FY 2026 CoC and YHDP NOFO: HUD's Goals and Objectives

5. **Promoting Economic Self-Sufficiency.** CoCs should partner with workforce development centers, employers, childcare, and other supportive service providers to increase employment and employment income for program participants. CoCs should prioritize projects that help lead to long-term economic independence for individuals and families to exit homelessness to unsubsidized housing and prevent future returns to homelessness.
6. **Advancing Public Safety for All.** CoCs should work with law enforcement, first responders, and their state and local governments to reduce encampments, public camping, and public drug use in order to address barriers to maintaining housing and increasing self-sufficiency.
7. **Minimizing trauma.** One of the purposes of the CoC program is to minimize the trauma associated with homelessness 42 U.S.C. § 11381(2). CoCs should encourage providers to provide trauma informed care and ensure participant safety in programs, especially for youth and survivors of domestic violence, dating violence, sexual assault, and stalking.
8. **Expanding Access Based on Merit, and Not Ideology.** HUD is committed to promoting equal access to CoC programs for homeless individuals and program participants regardless of their race or other protected status. To that end, the NOFO prohibits the use of federal funds being used for any type of racial preferences, even under the guise of "diversity, equity, and inclusion."
